Multi-County Youth Services
Serving youth and families in western Oklahoma

**Mission Statement:** The mission of Multi-County Youth Services is to encourage the growth of healthy, resilient children and families, thus improving the quality of life in the communities in which we serve.

Provided Programs:

**YOUTH AND FAMILY COUNSELING SERVICES:** Counselors work with families to resolve home conflicts, school problems, and improve parent/child relationships, self-esteem, and communication.

**EMERGENCY YOUTH SHELTER:** This program provides a shelter for children and youth ages 6 to 17. These services provide residents with a comfortable, supportive environment. Here, they can receive services to help them become more mature, and successful citizens.

**FIRST TIME OFFENDER PROGRAM:** This youth training program teaches; problem solving, consequences of one’s actions, cultural awareness, and conflict resolution. The purpose of the group is to prevent juveniles from going further into the juvenile justice system.

**ABSTINENCE EDUCATION PROGRAM:** This abstinence-based program uses the “Choosing the Best” curriculum, is evidence-based and is approved by the Oklahoma State Department of Health. “Choosing the Best” is medically accurate, and motivates students to make healthier choices through relationship education, refusal-skill coaching, character education, and parent-teen interviews. It is designed to reduce teen pregnancies and at-risk sexual behavior. Their goal is to provide students with information, skills, and resources that encourage responsible behavior on their journey through adolescence.
