Become a CASA Volunteer!!

C.A.S.A. = Court Appointed Special Advocates

Every day in this country, 1,900 children become victims of abuse or neglect.

- Seeking people who care about children.

- You can bring positive change to the lives of vulnerable children!

- Volunteers are trained, and appointed by a judge to speak up for abused and neglected children in court.

- Volunteers get to know the child by talking with everyone in that child’s life: parents and relatives, foster parents, teachers, medical professionals, attorneys, social workers and others.

- They use the information they gathered to inform judges of the child’s needs and what they believe to be the best permanent home for them.

- Volunteers stay with each case until it is closed and the child is placed in a safe, permanent home.

For many abused children, their CASA volunteer will be the one constant adult presence in their lives.
