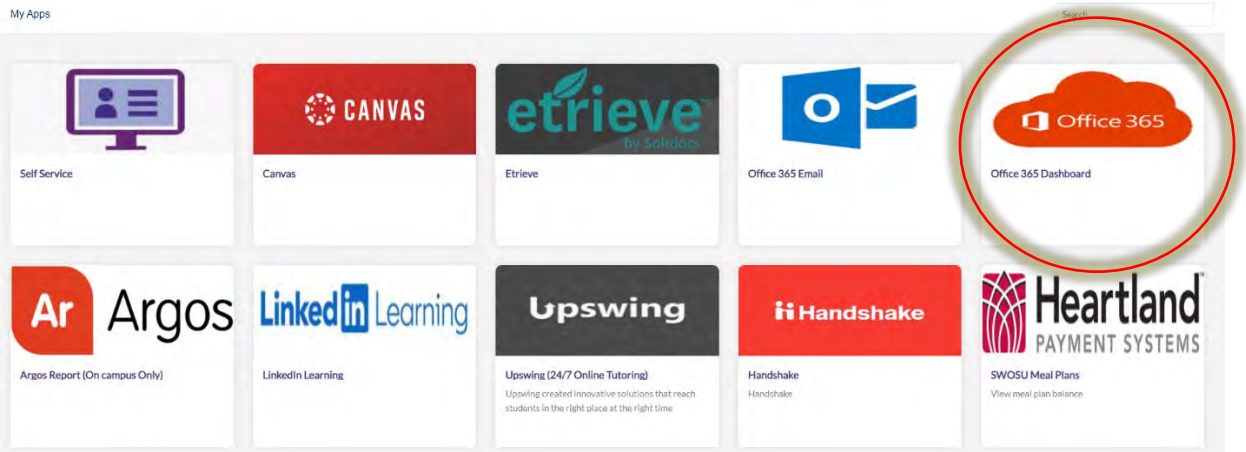
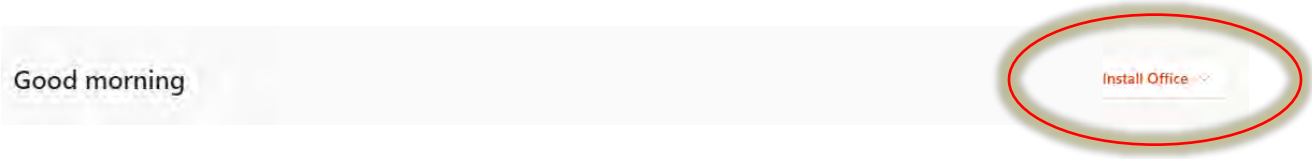
Office Download for Students & Staff

You now have the option to download and install Office on your computer at no cost.

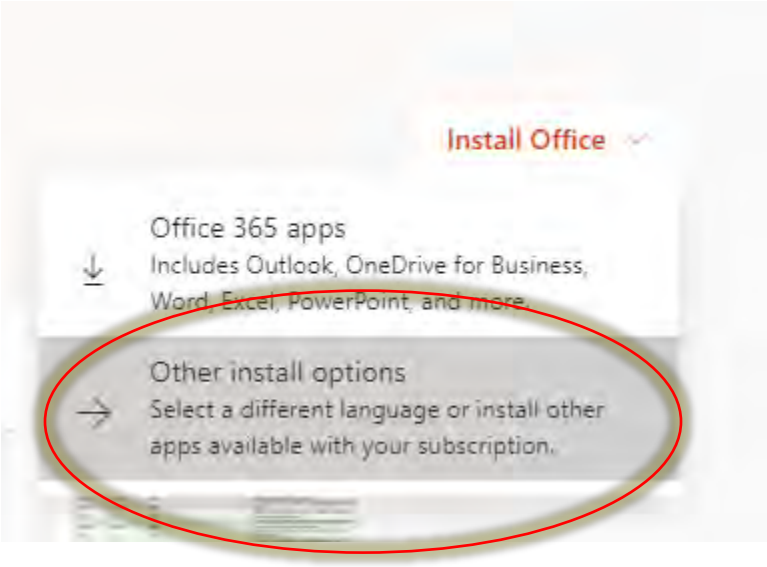
1. Login to your GoSwosu Account and click on Office365 Dashboard.



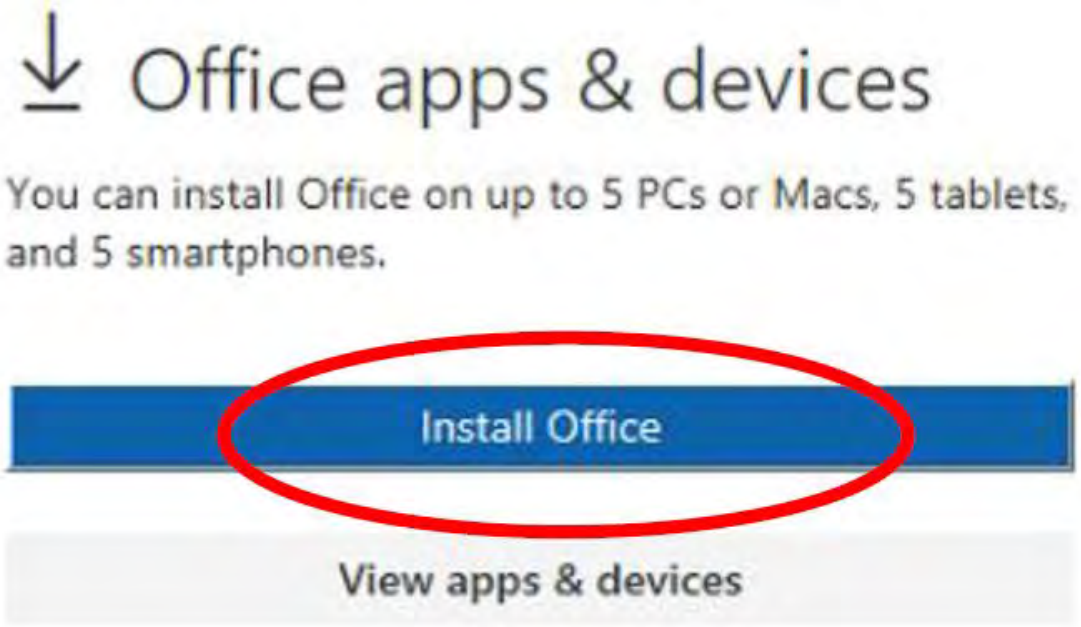
2. Next click on Install Office.

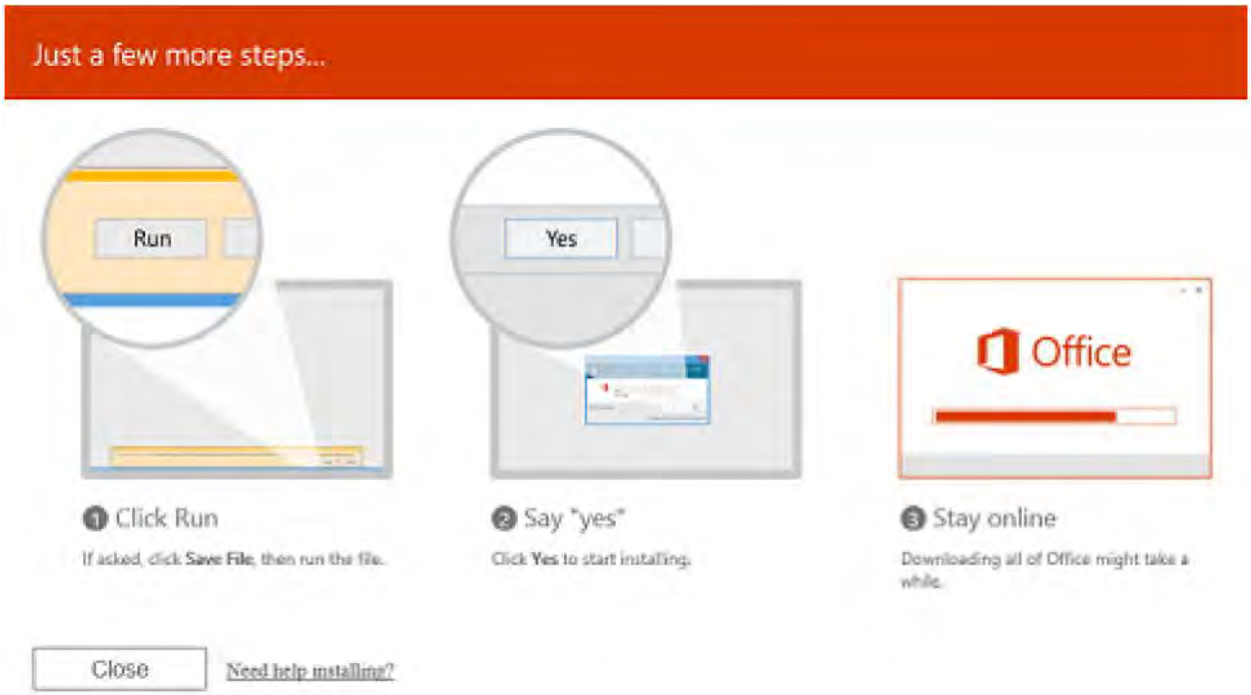


3. Click on Other install options in the Install Office Dropdown.



4. Click on Install Office button which will download the installer.





5. After the Installer is downloaded. Run it and follow the prompts.
