Seeking Consortium for which Semester: _____

Normally, SWOSU will not provide financial aid for a student to take a class at another institution. In some instances where there are extenuating circumstances, and the student cannot take a required course at SWOSU, we (Home Institution) will enter a Consortium Agreement with another school (Host Institution). Students should be enrolled in as many hours at SWOSU as they are at the host institution. If you are a SWOSU degree seeking student, enrolled at SWOSU and seeking a consortium agreement, please complete this form. **Consortium Applications must be completed before the term they are intended for**. We will notify you by SWOSU email whether your request is approved. The student understands this agreement cannot be completed if he/she is not making Satisfactory Academic Progress at SWOSU. Further, this coursework, like SWOSU work will impact subsequent SAP calculations. **Within three weeks after the contracted period, the student will provide** the SWOSU Registrar's Office with an official copy of his/her academic transcript from Host school. SWOSU will not release official transcripts for students who have not provided a transcript from the Host Institution. Consortium Agreements should be completed before the first day of the term it is intended for.
