The Alpha Beta chapter of Kappa Epsilon conducted a Breast Cancer Awareness fundraiser this October called “Shave Your Head Dr. VanDusen!” which helped raise $330.65 that has been donated to the Susan G. Komen foundation. A BIG Thank you to Dr. VanDusen, for allowing his head to be shaved and a special shout out to COP student Colton Moorman who also shaved his head the day of the event! Also...THANK YOU to all who donated to help meet and exceed the goal of $250.00 for this event and support breast cancer research and awareness.
