### **SUPPORT PERSONNEL COUNCIL**

The Administration and Faculty of a university depend on the efficiency and commitment of its support personnel. Commitment comes from meaningful involvement and participation in the policies of the University. In recognition of this, the University has organized and officially recognizes the *Support Personnel Council of Southwestern Oklahoma State University*.

The Support Personnel Council, as it deems necessary and acting through its duly elected representatives, may make recommendations to the administration concerning matters which are in the best interest of the University. Such recommendations shall be made to or through the office of the Director of Human Resources Office.

Employees interested in obtaining additional information concerning the Support Personnel Council are encouraged to contact their council representative or the Human Resources Office.
