

**FY08  
REPORTED SCHOLARLY  
AND  
ACADEMIC ACTIVITY  
AT  
SWOSU**

\***Susan Al-Jarrah**, language and literature, presented posters at the National Council of Teachers of English Annual Meeting and the National Writing Project, entitled “Easy as Pi: Addressing Math Literacy in the English/Literature Classroom.”

\***Susan Al-Jarrah**, language and literature, discussed professional development in foreign language and teacher training workshops at Southeastern Oklahoma State University, entitled “Total Physical Response Story Telling,” and “Blaine Ray Story Telling.”

\***Susan Al-Jarrah**, language and literature, coordinated workshops at the 2007 Fall Conference for the Oklahoma Council of Teachers of English, and serves as a board member for OCTE.

\***Fred Alsberg**, language and literature, received a finalist certificate from the Oklahoma Book Awards for his poem entitled “Reassembling Dust.”

\***Fred Alsberg**, language and literature, performed poetry reading for the Popular Culture Association meeting entitled “Reassembling Dust.”

\***Fred Alsberg**, language and literature, performed poetry reading for the South Central Modern Language Association entitled “Luminario.”

\***Fred Alsberg**, language and literature, published poetry in the Crosstimbers Multicultural, Interdisciplinary Journal entitled “Portofino Fish Story” and “Harry the Hack Falls in Love While Walking Home from Santi’s Bar One Night.”

\***Lisa Appeddu**, allied health sciences, presented posters at Oklahoma Research Day entitled “Using Indigestible Neutral Detergent Fiber and Acid Detergent Fiber to Estimate Digestibility in Steer Fed Wheat,” and “Evaluation of Parasite Load in Hair-type or Wool-type or Crossbred Lambs Grazing Wheat Pasture.”

\***Lisa Appeddu**, allied health sciences, reviewed a journal article in the Journal of Animal Science, entitled “Intake and Digestion of Wheat Forage By Stocker Calves and Lambs.”

\***Lisa Appeddu**, allied health sciences, presented a paper at the Annual Meeting of the American Society of Animal Science Southern Section, entitled “Evaluation of Parasite Load in Hair-Type or Wool-Type Lambs on Dry lot or Wheat Pasture.”

\***Arden Aspedon**, allied health sciences, presented a paper at the Annual Technical Meeting of the Oklahoma Academy of Science entitled “Characterization of an Osmoprotective Locus in *Pseudomonas Aeruginosa*.”

\***Arden Aspedon**, allied health sciences, presented a poster at the American Society for Microbiology *Pseudomonas* Annual Conference entitled “Osmoprotective Genes in *Pseudomonas Aeruginosa*.”

\***Arden Aspedon**, allied health sciences, presented a paper at the Joint Meeting of the Missouri Valley and Missouri Branches of the American Society of Microbiology entitled “Antibacterial Activity of Novel Bisphenol Amines.”

\***Randy Beutler**, administration, published a chapter in the Western Oklahoma Historical Society’s journal entitled “A Political History of Elk City.”

\***Randy Beutler**, administration, presented a paper at a Kiwanis meeting entitled “German-American Oppression in Western Oklahoma during WWI.”

\***Randy Beutler**, administration, served as a volunteer instructor at a Governmental Leadership Conference entitled “Presidential Classroom.”

\***Anita Blankenship**, administration, was appointed to the planning committee for the 2008 Summer Grant Writing Institute, Oklahoma Regents for Higher Education

\***Anita Blankenship**, administration, presented a workshop at the 2007 Summer Grant Writing Institute, Oklahoma State Regents for Higher Education entitled “Institutionalization, Sustainability, and Working with the Grant Office.”

\***Anita Blankenship**, administration, was appointed to the strategic planning committee for the Cheyenne and Arapaho Tribal College.

\***Anita Blankenship**, administration, served as a mentor and facilitator for the 2007 Summer Grant Writing Institute, Oklahoma State Regents for Higher Education.

\***Lisa Boggs**, biological sciences, presented a poster at the Sustainable Agriculture for Research and Education Biannual meeting entitled “Got Weeds? Hire Goats.”

\***Dan Brown**, social sciences, presented a PowerPoint presentation at the Annual Meeting of the Oklahoma Sociological Association entitled “An Analysis of Capital Punishment in Oklahoma.”

\***Dan Brown**, social sciences, presented a paper at the National Social Science Association annual conference entitled “The Injustice of Native American Justice.”

\***Dan Brown**, social sciences, presented a paper at the Oklahoma Criminal Justice Association annual conference entitled “Gun Control, the Second Amendment And The Criminal Justice System In the 21<sup>st</sup> Century.”

\***Melinda Burgess**, psychology, presented posters at Oklahoma Research Day, entitled “Are Interactive Video Games More Arousing than Passive Observation,” “See Jane Fight: Video Games are Detrimental to Women’s Self-Perceptions,” and “What Do Women Want? Women’s Attitudes about Body Size.”

\***Melinda Burgess**, psychology, presented a poster at 20<sup>th</sup> Annual Convention for the Association for Psychological Science, entitled “Playing with Prejudice: The Prevalence and Consequences of stereotypes in Video Games.”

\***Brian Campbell**, chemistry and physics, was interviewed by local radio station KWEY.

\***Brian Campbell**, chemistry and physics, presented papers at the E-Learn Conference entitled “A Sense of Urgency: Linking the Thomas P. Stafford Museum to the Science and Math Association of Rural Teacher’s Community of Practice,” and “SMART-COP – Legitimate Peripheral Participation in the Sciences and Math Association of Rural Teacher’s Community of Practice.”

\***Brian Campbell**, chemistry and physics, reviewed an astronomy article for a textbook.

\***Brian Campbell**, chemistry and physics, facilitated a workshop presentation at the Math Science Partnership (MSP) State Meeting entitled “SMART, The Science and Math Association of Rural Teachers.”

\***Brian Campbell**, chemistry and physics, presented a poster and facilitated a roundtable discussion session at the 2008 19<sup>th</sup> International Conference for Society for Information Technology & Teacher Education, entitled “SMART-COP – the Current State of Practice and Lessons Learned in the Science and Math Association of Rural Teacher’s Community of Practice” and “The Role of Assessment in Math and Science Partnership.”

\***Brian Campbell**, chemistry and physics, presented a poster at the 2008 19<sup>th</sup> International Conference for Society for Information Technology & Teacher Education, entitled “Open Source Contributions to the New Patterns of Learning in Complex Scientific Subjects.”

\***Chelsea Church**, pharmacy practice, reviewed articles for Annals of Pharmacotherapy entitled “Daptomycin Use In a  $\beta$ -Lactam Allergic Patient with Leuconostoc Surgical Site Infection,” “Pharmacist Monitoring Protocol for QTc Interval Prolonging Medications in

Medical Intensive Care Unit: A Proof of Concept Study,” and “Doripenem: A New Carbapenem.”

\***Chelsea Church**, pharmacy practice, was awarded the 2008 Woman of the Year in Education by the American Biographical Institute.

\***Chelsea Church**, pharmacy practice, published for the Rheumatology International Journal entitled “Aseptic Meningitis Associated with Chronic Sulindac Use for Osteoarthritis: A Case Report.”

\***Chelsea Church**, pharmacy practice, published for the Drug Target Insights Journal entitled “New-Onset Diabetes Mellitus Among Parkinsonian Patients Treated with Long-Term Quetiapine.”

\***Chelsea Church**, pharmacy practice, presented at the 1<sup>st</sup> Annual Advanced Pharmacology Conference for the Oklahoma Association of Clinical Nurse Specialists entitled “Pain Management.”

\***Chelsea Church**, pharmacy practice, published for the Neuropsychiatric Disease and Treatment Journal entitled “an Economic Evaluation of Aripiprazole VS Olanzapine Adapted to the Italian Setting Using Outcomes of Metabolic Syndrome and Risk for Diabetes.”

\***Chelsea Church**, pharmacy practice, coordinated a workshop for the Oklahoma Society of Health-System Pharmacists Annual Meeting as the OSHP Vendor Showcase Chairperson.

\***Chelsea Church**, pharmacy practice, presented at the 43rd American Society of Health-System Pharmacists Midyear Clinical Meeting entitled “Benefits of a Thiamine Protocol for Prophylaxis of Wernicke’s Encephalopathy in Hospitalized Patients.”

\***Chelsea Church**, pharmacy practice, presented at the Oklahoma Pharmacists Association and the Pharmacy Providers of Oklahoma Continuing Education Convention entitled “A Review of Pain.”

\***Darla Davenport**, human resources, participated as a committee member at the Department of Human Services, Aging Services Division, State Council On Aging Committee Meeting.

\***Darla Davenport**, human resources, participated as an advisory council member for South Western Oklahoma Development Authority.

\***Darla Davenport**, human resources, presented a workshop at the 2007 SWOSU/OU Preceptor Conference entitled “Sexual Harassment-What You Need to Know

\***Darla Davenport**, human resources, attended the monthly Department of Human Services, Aging Services Division, State Council on Aging Committee Meeting as a committee member for the months of September, October, and November.

\***Darla Davenport**, human resources, served as President of the Western Oklahoma Human Resources Association for FY08.

\***Darla Davenport**, human resources, participated in the Oklahoma Alliance for Affirmative Action meeting.

\***Jason Dupree**, library, presented at the Oklahoma Library Association's 2008 Leadership Retreat entitled "From the Conference Room to the Cubicle: An Introduction to Virtual Meeting Technology."

\***Jason Dupree**, library, presented at the Southwestern Oklahoma State University Faculty Development Workshop entitled "Developing Your Faculty Web Page."

\***Jason Dupree**, library, presented at the Oklahoma Library Association's 2008 Leadership Retreat entitled "From the Conference Room to the Cubicle: An Introduction to Virtual Meeting Technology," and "Vyew: A Follow-Up Demonstration to OLA Leadership Retreat – Session 1."

\***Jason Dupree**, library, presented at the Oklahoma Chapter of the Association of College and Research Libraries Annual Fall Conference entitled "Meebo: IM Reference."

\***Jason Dupree**, library, coordinated the Community of Oklahoma Instruction Librarians (COIL) Summer Workshop entitled "Unconventional Info-Lit in Action: Where Weird Meets Worthy."

\***Jason Dupree**, library, elected chair emeritus by the Community of Oklahoma Instruction Librarians (COIL).

\***Jason Dupree**, library, selected to be a judge for the 2008 District History Day Contest entitled "Conflict and Compromise in History."

\***Jason Dupree**, library, reviewed for the Public Services Quarterly – Internet Column (ISSN 1522-8959) entitled "Online Social Networking: Technology and Tools."

\***Jason Dupree**, library, discussed with the Digital Services Interest Group (DSIG) entitled "Vyew: Library Video Conferencing," and "Bubbl.us, Wetpaint and Blogger at Southwestern Oklahoma State University."

\***Barry Gales**, pharmaceutical practice, published a book review in the Annals of Pharmacotherapy 2007 entitled "Prescribing Adult Intravenous Nutrition."

\***Barry Gales**, pharmaceutical practice, reviewed an article in the Annals of Pharmacotherapy entitled “Evaluation of Feeding Intolerance in Patients Administered Pentobarbital Coma at Two Medical Institutions.”

\***Barry Gales**, pharmaceutical practice, reviewed an article in the Annals of Pharmacotherapy entitled “An Update of Recent Trials with Vildagliptin-A Dipeptidyl Peptidase-4 Inhibitor for the Treatment of Type 2 Diabetes.”

\***Barry Gales**, pharmaceutical practice, was appointed to the Editorial Board for the Annals of Pharmacotherapy for family medicine articles.

\***Barry Gales**, pharmaceutical practice, published a journal article in The Annals of Pharmacotherapy, entitled “Phosphodiesterase-5 Inhibitors for Lower Urinary Tract Symptoms in Men 2008.”

\***Barry Gales**, pharmaceutical practice, reviewed an article in the Annals of Pharmacotherapy entitled “Twice daily administration versus once daily administration of insulin glargine: Is there a Role?”

\***Mark Gales**, pharmaceutical practice, published a journal article in the Annals of Pharmacotherapy entitled “Phosphodiesterase-5 inhibitors for lower urinary tract symptoms in men.”

\***Mark Gales**, pharmaceutical practice, served a committee appointment as Editorial Panelist for The Annals of Pharmacotherapy entitled “Hypertension” in Volume 42.

\***Mark Gales**, pharmaceutical practice, reviewed a journal article in The Annals of Pharmacotherapy entitled “Psychosis and Visual Hallucinations with the addition of Morphine in a Patient Undergoing Analgesic Treatment with Gabapentine.”

\***Mark Gales**, pharmaceutical practice, reviewed a journal article in The Annals of Pharmacotherapy entitled “Post-discharge Oral Vs. Injectable Anticoagulation Following Major Orthopedic Surgery.”

\***Frederick Gates**, social sciences, judged poster presentations at the 2008 Phi Alpha theta/Oklahoma Association of Professional Historians Annual Conference entitled “Women, War, and Social Change.”

\***Frederick Gates**, social sciences, reviewed three chapters of a text book requested by Houghton Mifflin Publishing entitled “The Enduring Vision: A History of the American People.”

\***Peter Grant**, biological sciences, published an April 2008 Newsletter entitled “The Mayfly Newsletter.”

\***Philip Holley**, social sciences, presented a paper at the Southwestern Association of Criminal Justice meeting entitled “A 21<sup>st</sup> Century General Victimology: Answering the Critics.”

\***Philip Holley**, social sciences, presented a Power Point presentation at the Annual Meeting of the Oklahoma Sociological Association entitled “Victimology: Discipline or Sub-Discipline.”

\***Philip Holley**, social sciences, presented a paper at the Annual Meeting of the American Society of Criminology entitled “Victim Entitlements: What Do Victims Want?”

\***Philip Holley**, social sciences, presented a paper at the Annual Meeting of the Oklahoma Criminal Justice Association entitled “Panics, Panaceas, and the Paths to Campus Security.”

\***Tim Hubin**, chemistry and physics, reviewed a manuscript for Inorganic Chemistry Communications.

\***Tim Hubin**, chemistry and physics, published a journal article in the Inorganic Chemistry Communications Journal entitled “The design and synthesis of pyrazine amide ligands suitable for the “tiles” approach to molecular weaving with octahedral metal ions.”

\***Tim Hubin**, chemistry and physics, presented posters at the 235<sup>th</sup> American Chemical Society National meeting entitled “Project Format for the Undergraduate Inorganic Lab at SWOSU,” and “Synthesis and Crystallographic Studies of a Series of Xylyl Bixyclam Analogues.”

\***Tim Hubin**, chemistry and physics, presented a poster at the INBRE and COBRE Investigators and Students Retreat entitled “Biological Data for Transition Metal Complex CXCR4 Antagonists.”

\***Tim Hubin**, chemistry and physics, presented a short course at the American Chemical Society Short Courses entitled “Essentials of Medicinal Chemistry.”

\***Le Hung**, mathematics, reviewed an article for the Zentralblatt Journal entitled “New Proof of the T(1) Theorem for Triebel-Lizorkin Spaces.”

\***Jason Johnson**, chemistry and physics, presented posters at the 235<sup>th</sup> American Chemical Society National meeting entitled “Differential Dynamic Response of ATP-Grasp Domains with CPS,” and “engineering Probes to Assess Synchronization Mechanisms in Amidotransferase-Containing Proteins.”

\***William Kelly**, chemistry and physics, presented a poster at the 235<sup>th</sup> American Chemical Society National meeting entitled “flex-hets demonstrate uncompetitive

inhibition of NADH:ubiquinone oxidoreductase in bovine heart muscle sub-mitochondrial particles.”

\***Faruk Khan**, pharmaceutical sciences, reviewed an article for Drug Target Insights entitled “Trypanothione Reductase: A Viable Chemotherapeutic Target for Antitrypanosomal and Antileishmanial Drug Design.”

\***Faruk Khan**, pharmaceutical sciences, reviewed an article for Current Medicinal Chemistry entitled “Medicinal Chemistry and Emerging Strategies Applied to the Development of Selective Estrogen Receptor Modulators.”

\***Faruk Khan**, pharmaceutical sciences, presented a poster at the Florida Section of the American Chemical Society entitled “The Synthesis and Biological Evaluation of Coumarin-Estrogen Conjugates as Potential Anti-Breast Cancer Agents.”

\***Faruk Khan**, pharmaceutical sciences, presented a poster at the Missouri Valley Branch of the American Society of Microbiology entitled “Antibacterial Activity of Novel Bisphenol Amines.”

\***Faruk Khan**, pharmaceutical sciences, published a chapter in Studies in Natural Product Chemistry v34 entitled “Isoquinuclidines: A Review of Chemical and Pharmacological Properties.”

\***Faruk Khan**, pharmaceutical sciences, reviewed an article for the European Journal of Medicinal Chemistry entitled “Synthesis and Pharmacological Investigation of Azetidinone Derivatives Involving Naphtho[2,1-b]furan2-carboxamide and 3-mercapto-4-amino-5-naphtho[2,1-b]furan-1,2,4-triazoles.”

\***Sophia Lee**, music, presented a workshop at the United Nations International Children’s Emergency fund entitled “Online and Distance Learning in Music Therapy Education: Undergraduate and Graduate Perspectives.”

\***Sophia Lee**, music, presented a workshop at the 2007 American Music Therapy Association Annual Conference entitled “Music Therapy Training Workshop for Mental Health Professionals II.” She was also a discussant in a session entitled “Feminist Perspectives in Music Therapy,” and she attended as an appointee to the program approval committee, and she is the parliamentarian for the association.

\***Sophia Lee**, music, presented a workshop at the United Nations International Children’s Emergency fund entitled “Music Therapy Training Workshop for Mental Health Professionals III.”

\***Sophia Lee**, music, presented a workshop at the 2008 Southwestern American Music Therapy Association Annual Conference entitled “Roundtable for Educators & Clinical Training Supervisors—AMTA’s Updates on Education and Clinical Training.” She also

presented a paper entitled “A Journey on Forming an Undergraduate research: the Effect of Music Perception as Defined by Culture.”

\***Sophia Lee**, music, presented a workshop at the Sigma Alpha Iota Providence Day entitled “Music Therapy for Individuals with Sensory Loss.”

\***Sophia Lee**, music, presented a paper at the National Taipei College of Nursing entitled “Music Therapy Conference: Theories and Clinical Applications.”

\***Sophia Lee**, music, presented a career choice question and answers survey at the National Chiayi University entitled “Music Therapy: A Career Choice.”

\***Sophia Lee**, music, presented a paper at the International Academic Conference, Taipei Municipal University of Education entitled “The Overview of US Alternative Education and Music Therapy in Special Education: Theories and Practices.”

\***Sophia Lee**, music, presented a workshop at the National Kaohsiung Normal University entitled “Music-Assisted Coping Systematic Desensitization for Music Performance Anxiety.”

\***Sophia Lee**, music, presented a paper at the Kaohsiung University of Applied Sciences Library Lecture Series entitled “Music Therapy: An Overview.”

\***Sophia Lee**, music, presented a paper at the Kaohsiung Chang Gung Memorial Hospital entitled “(Please) Listen to Your Heart: Strategic Music Therapy Practice in Pediatric Medicine.”

\***Sophia Lee**, music, presented a workshop at the Kaohsiung Bureau of Human Resource Development Lecture Series: Expressive Arts Therapy entitled “Legislative Issues of Expressive Arts Therapy in US.”

\***Sophia Lee**, music, presented a paper at the Taichung Veterans General Hospital entitled “Music Therapy in Hospice and Critical Medical Care.”

\***Warren Moseley**, entrepreneurship and computer systems, served on the Research Careers Panel for Annual Research Experiences for Undergraduates at the Annual Research Experience Symposium.

\***Warren Moseley**, entrepreneurship and computer systems, presented posters at the 2008 19th International conference of the Society for Informational Technology and Teacher Education, entitled “SMART-COP, The Current State of Practice and Lessons Learned in the Science and Math Teacher's Community of Practice” and “Open Source Contributions to the New Pattern of Learning in Complex Scientific Subjects.”

\***Frederick Murray**, library, presented for the Oklahoma Native American Students in Higher Education entitled “Tribal Higher Education Department and Resources.”

\***Frederick Murray**, library, selected to be a judge for the 2008 District History Day Contest entitled “Conflict and Compromise in History.”

\***Frederick Murray**, library, was elected to be a part of the three year strategic planning process for the Cheyenne and Arapaho Tribal College (CATC).

\***Frederick Murray**, library, was selected as a member of the Fourth Criterion Sub-Committee of the Southwestern Oklahoma State University Higher Learning Commission Accreditation Committee.

\***Steven O’Neal**, biological sciences, presented at Oklahoma Research Day entitled “Growth Sensitivity of Fours Species of Mat-Forming Filamentous Algae to UV Radiation,” and “The Effects of Flooding on the Crowder Lake Ecosystem.”

\***Anil Pereira**, entrepreneurship and computer systems, facilitated Breakout Session 1: Implementing BIO2010 and Breakout Session 2: Promoting Undergraduate Research at INBRE’s Undergraduate Faculty Retreat.

\***Anil Pereira**, entrepreneurship and computer systems, presented at Oklahoma Research Day entitled “Grid Computing for Education, Research, and Small Business.”

\***W. Steven Pray**, pharmaceutical science, interviewed with Baylor Innovations as an expert on “Omega Fatty Acids.”

\* **W. Steven Pray**, pharmaceutical science, interviewed with Drug Topics as an expert on “FDA Sunscreen.”

\* **W. Steven Pray**, pharmaceutical science, published in the U.S. Pharmacist entitled “What Can the Pharmacist Recommend for Sinus Problems?”

\* **W. Steven Pray**, pharmaceutical science, was selected by the American Society of Health-System Pharmacists Foundation as a Student Research Award Selection Committee member.

\* **W. Steven Pray**, pharmaceutical science, reviewed an article in the U.S. Pharmacist entitled “An Update on Common Nutritional Supplements Used to Enhance Athletic Performance.”

\* **W. Steven Pray**, pharmaceutical science, biography published in Who’s Who in Science and Engineering 2008-2009.

\* **W. Steven Pray**, pharmaceutical science, was a panelist for the 2007 Student Research Awards at the American Society of Health-System Pharmacists Research and Education Foundation.

\* **W. Steven Pray**, pharmaceutical science, reviewed an article in the International Journal of Pharmacy Education and Practice entitled “Fossils in Self-Care: From “Snake Eggs” to “Saint’s Bones”: An Overview.”

\* **W. Steven Pray**, pharmaceutical science, reviewed an article in Power-Pak Continuing Education entitled “The Role of the Pharmacist in Managing Patients with Tinea Capitis.”

\* **W. Steven Pray**, pharmaceutical science, reviewed an article in Pharmacist’s Letter/Prescriber’s Letter entitled “Rx Essentials.”

\* **W. Steven Pray**, pharmaceutical science, was interviewed by Womens Health Magazine and his response was published with an article entitled “The Best Medicine.”

\* **W. Steven Pray**, pharmaceutical science, was interviewed by Woman’s World as an expert on “Lip Balms.”

\* **W. Steven Pray**, pharmaceutical science, was appointed as Product Editor for Exam Master Corporation.

\* **W. Steven Pray**, pharmaceutical science, served as a content validity panelist for the American Journal of Pharmaceutical Education by peer professors.

\* **W. Steven Pray**, pharmaceutical science, reviewed an article in the Journal of the American Pharmaceutical Association entitled “Medi-Crush.”

\* **W. Steven Pray**, pharmaceutical science, reviewed an article in the Journal of the American Pharmaceutical Association entitled “Kleenex Antiviral Tissues.”

\* **W. Steven Pray**, pharmaceutical science, reviewed an article in the Journal of the American Pharmaceutical Association entitled “EarCheck Middle Ear Monitor.”

\* **W. Steven Pray**, pharmaceutical science, reviewed an article in the Journal of the American Pharmaceutical Association entitled “Zyrtec.”

\* **W. Steven Pray**, pharmaceutical science, reviewed an article in the Journal of the American Pharmaceutical Association entitled “Vagisil Screening Kit for Vaginal Infections.”

\* **W. Steven Pray**, pharmaceutical science, reviewed an article in the Journal of the American Pharmaceutical Association entitled “Alaway/Zaditor.”

\* **W. Steven Pray**, pharmaceutical science, published an article in Power-Pak Continuing Education entitled “Managing Constipation Induced by Pain Medications.”

\* **W. Steven Pray**, pharmaceutical science, published articles in U.S. Pharmacist entitled “Understanding Motion Sickness,” “Home Blood Pressure Monitoring,” “Coping With Winter Injuries,” “Interactions Between Nonprescription Products and Psychotropic Medications,” “New Nonprescription Weight Loss Product,” “Nonprescription Products for the Pregnant and Breast-Feeding Patient,” “Nonprescription Products for the Pregnant and Breast-Feeding Patient,” and “Dangers of Sexual Enhancement Supplement.”

\* **W. Steven Pray**, pharmaceutical science, was interviewed by The Boston Globe for his expert and published in an article entitled “Humidifiers Can Ease Breathing, Minds.”

\* **W. Steven Pray**, pharmaceutical science, presented two podium presentations for the Southwestern Pharmacy Foundation on a paper entitled “Nonprescription Products IV.”

\* **W. Steven Pray**, pharmaceutical science, was an expert witness in the National Association of Boards of Pharmacy vs The Board of Regents of the University System of Georgia and Flynn Warren, Jr. court case.

\* **W. Steven Pray**, pharmaceutical science, presented a podium presentation for the Getaway Seminars on a paper entitled “Nonprescription Medications for Oral Care, Oral Problems, Gastric Conditions, and Pain.”

\* **W. Steven Pray**, pharmaceutical science, published a monograph in Pharmat, Inc entitled “Counseling Patients with Minor Dermatological Conditions.”

\* **W. Steven Pray**, pharmaceutical science, published a monograph on the OTC News, Nonprescription Medications Academy website entitled “Update on the Regulatory Status of Ephedrine.”

\* **W. Steven Pray**, pharmaceutical science, reviewed articles for Pharmat, Inc. entitled “Principles of Obesity Management and Weight Control,” “Pharmacist-Delivered Tobacco Cessation,” and “Patient Centered Care: Pharmacist Adult Vaccination.”

\* **W. Steven Pray**, pharmaceutical science, presented a workshop at the Getaway Seminars entitled “Respiration Conditions.”

\* **W. Steven Pray**, pharmaceutical science, was honored by the News-Line for Pharmacists Journal entitled “Professor Advocated for Nonprescription Product Regulation.”

\* **W. Steven Pray**, pharmaceutical science, published a review article for the U.S. Pharmacist Journal entitled “Durable Medical Equipment: A Challenging Practice.”

\* **W. Steven Pray**, pharmaceutical science, selected to judge the American Society of Health-System Pharmacists (ASHP) Research and Education Literature Awards.

\* **W. Steven Pray**, pharmaceutical science, selected for the Technology Advisory Board for ParaPro, LLC.

\***Linda Pye**, library, elected to committees for the Oklahoma Library Association entitled “Membership Committee,” “Program Planning Committee,” “Nominating Committee,” “Continuing Education Committee,” and “Technical Services Roundtable Workshop and Program Planning Committee.”

\***Valerie Reimers**, language and literature, presented a paper to the South Central Modern Language Association entitled “Self Portraits: Writers Who Write About Themselves as Writers.”

\***Valerie Reimers**, language and literature, facilitated a workshop presentation at the Oklahoma Council of Teachers of English entitled “Grading: Finding Agreement in What We Value.”

\***Charles Rogers**, chemistry and physics, published a journal article for Magill’s Choice: Notable Natural Disasters entitled “2003: The Bam Earthquake.”

\***Charles Rogers**, chemistry and physics, published a journal article for Great Events from History: The 20<sup>th</sup> Century, 1941-1970 entitled “Mariner Missions Conduct Flybys.”

\***Charles Rogers**, chemistry and physics, published journal articles for Great Events from History: The 20<sup>th</sup> Century, 1971-2000 entitled “Fiber-Optics Revolution,” and “Mormons Approve Ordination of Black Men of African Descent.”

\***Randall Sharp**, pharmaceutical practice, reviewed articles in the Journal of Pharmacy Technology entitled “Assessment of Vitamin K Use in the Inpatient Treatment of Excessive Antocoagulation,” and “Pharmacist Impact on Managing Inpatient Warfarin Therapy.”

\***Randall Sharp**, pharmaceutical practice, published an article in The Annals of Pharmacotherapy entitled “Impact of Carvedilol on the Serum Lipid Profile.”

\***Alan Spies**, pharmaceutical sciences, was elected as National Treasurer for the Phi Lambda Sigma Pharmacy Leadership Organization.

\***Alan Spies**, pharmaceutical sciences, presented a workshop to the American Association of Colleges of Pharmacy Institute entitled “Preparing For Generation X and Generation Y as Future Faculty.”

\***Joyce Stoffers**, language and literature, performed poetry reading at the Pioneer Center. entitled “Farmers’ Market.”

\***Joyce Stoffers**, language and literature, published an article in the Weatherford Daily News entitled “In Quest of Twelve Treasures: The Parks of Weatherford.”

\***Keith Talley**, music, performed a saxophone solo at the North American Saxophone Alliance Biennial Conference entitled “Ben Johnston’s Pondering Nothing.”

\***Rahmat Talukder**, pharmaceutical sciences, presented a posters at the American Association of Pharmaceutical Scientists Annual Meeting entitled “Solid State and Dissolution Rate Characterization of Poorly Soluble Drugs in Presence of a Hydrophilic Carrier,” and “Drug Solubility Character and Release From Controlled Release Polymer Based Matrices: An Analysis of Front(s) Movement on Dissolution Rate.”

\***Dennis Thompson**, pharmaceutical practice, reviewed 2 articles in the Annals of Pharmacotherapy entitled “Do Statins Prevent Atrial Fibrillation after Coronary Artery Bypass Surgery?” and “The Use of Leflunomide in the Treatment of Polyomavirus BK Associated Nephropathy.”

\***Dennis Thompson**, pharmaceutical practice, published an article in the Drug Information Journal entitled “Tracking the Growth of Drug Therapy Literature Using PubMed.”

\***Dennis Thompson**, pharmaceutical practice, reviewed an article in the Annals of Pharmacotherapy entitled “Use of Menthylxanthines to Improve Oxygenation Following Acute Cervical Spine Injury.”

\***Dennis Thompson**, pharmaceutical practice, reviewed an article in the International Journal of Pharmaceutical Compounding entitled “Topical Pain Relief Management: Assessment of Patient Satisfaction.”

\***Dennis Thompson**, pharmaceutical practice, reviewed an article in the Annals of Pharmacotherapy entitled “Treatment Options in Imatinib Resistant Chronic Myelogenous Leukemia.”

\***Dennis Thompson**, pharmaceutical practice, reviewed an article for the Annals of Pharmacotherapy entitled “Treatment Options for Osteoporosis with Bone Ossification Agents in HIV-Infected Persons.”

\***Dennis Thompson**, pharmaceutical practice, reviewed an article for the Annals of Pharmacotherapy entitled “Utilizing Inhibitors of the Renin-Angiotensin within the First Eight Weeks after Renal Transplant.”

\***Dennis Thompson**, pharmaceutical practice, reviewed abstracts for the American College of Clinical Pharmacy’s Annual Meeting.

\***Dennis Thompson**, pharmaceutical practice, reviewed an article for the Annals of Pharmacotherapy Journal entitled “The Role of Rifaximin in the Treatment of Hepatic Encephalopathy.”

\***Dennis Thompson**, pharmaceutical practice, was appointed to the Editorial Board for the Annals of Pharmacotherapy Journal.

\***Dennis Thompson**, pharmaceutical practice, published an article for the Annals of Pharmacotherapy Journal entitled “Publication Records Among College of Pharmacy Deans.”

\***Dennis Thompson**, pharmaceutical practice, reviewed an article for the Annals of Pharmacotherapy Journal entitled “Oxandrolone in Children with Severe Thermal Burn Injury.”

\***Dennis Thompson**, pharmaceutical practice, reviewed an article for the Annals of Pharmacotherapy Journal entitled “Corticosteroids for the Prevention of Post-Extubation Laryngeal Edema.”

\***Muatasem Ubeidat**, biology, presented a poster at the INBRE-INTERN poster presentation meeting entitled “Sequencing of Alkaline Phosphatase Gene from Dictyostelium Discoideum.”

\***Virgil Van Dusen**, pharmaceutical science, facilitated a workshop presentation at the Southwestern Pharmacy Alumni Foundation Continuing Education Seminar entitled “Federal Pharmacy Law Review.”

\***Virgil Van Dusen**, pharmaceutical science, published an on-line article for Power-Pak Continuing Education entitled “Generic Drug Substitution Regulations: Legal Implications for Pharmacists.”

\***Virgil Van Dusen**, pharmaceutical science, facilitated a workshop presentation at the Southwestern Pharmacy Alumni Association entitled “Employment Law Issues Involving Pharmacy Practice.”

\***Virgil Van Dusen**, pharmaceutical science, facilitated a workshop presentation at the Physicians Liability Insurance Company meeting entitled “Prescribing Controlled Substances: Methadone, A Legal Minefield.”
