

**FY09
REPORTED SCHOLARLY
AND
ACADEMIC ACTIVITY
AT
SWOSU**

***Susan Al-Jarrah**, Language and Literature, presented a workshop at Southeastern Oklahoma State University entitled “Blaine Ray TPR Story Telling Workshop.”

***Susan Al-Jarrah**, Language and Literature, presented a paper at the National Council of Teachers of Mathematics Regional Conference and Exposition entitled “Voicing Social Issues through Mathematics.”

***Radwan Al-Jarrah**, Arts and Sciences, published an article in the Journal of Numerical Functional Analysis and Optimization entitled “Computing Derivatives of Jacobi Polynomials Using the Bernstein Transformation and Differentiation Matrix.”

***Fred Alsberg**, Language and Literature, performed a poetry reading at the 2009 Popular Culture Association entitled “Reassembling Dust.”

***Fred Alsberg**, Language and Literature, performed poetry readings at The Oklahoma Review entitled “At Dawn, At Sixteen, Beachcomber, Her Ex, The Laundromat, and Hong Kong.”

***Lisa Appeddu**, Allied Health, presented a workshop at the 2008 Women in Agriculture and Small Business State Conference entitled “Forage Management, Quality and Nutrition.”

***Lisa Appeddu**, Allied Health, presented a poster at Oklahoma Research Day entitled “Incidence and Antimicrobial Resistance of Microbes Causing Bovine Mastitis.”

***Arden Aspedon**, Allied Health, presented a poster at the 2009 Oklahoma Health Research Conference entitled “Novel Pharmacological Treatments of Cystic Fibrosis Lung Pseudomonas Aeruginosa Infection.”

***Elizabeth Austin**, New Student Orientation, presented a workshop at the Regional Meeting for the National Orientation Director’s Association Conference entitled “Dawg Days: Ride of a Lifetime.”

***Anita Blankenship**, Sponsored Programs, mentor for the 2008 Summer Grant Writing Institute, Oklahoma State Regents for Higher Education.

***Anita Blankenship**, Sponsored Programs, presented a workshop at the 2008 Summer Grant Writing Institute, Oklahoma State Regents for Higher Education entitled “Compliance Issues.”

***Lisa Boggs**, Biological Sciences, presented a poster at the Western Society of Weed Science entitled “Got Weeds? Hire Goats!”

***Dan Brown**, Social Sciences, presented a poster at Oklahoma Research Day entitled “The Practical Effects of Guns on Campus: Safety or Panacea.”

***Dan Brown**, Social Sciences, presented a paper at the American Society of Criminology entitled “Lessons for Victimologists: Can We Learn Anything from Hurricane Katrina?”

***Dan Brown**, Social Sciences, presented a paper at the Annual Meeting of the Oklahoma Sociological Association entitled “Guns on Campus.”

***Dan Brown**, Social Sciences, presented a paper at the Southwest Criminal Justice Association Conference entitled “Security on University Campuses: From Panic to (Gun) Panacea.”

***Dan Brown**, Social Sciences, presented a paper at the Leadership of Weatherford Conference entitled “Crisis in the American Judicial System.”

***Dan Brown**, Social Sciences, presented a paper at the Oklahoma Criminal Justice Association Annual Conference entitled “Students Attitudes about Allowing Guns on Oklahoma University Campuses.”

***Brian Campbell**, Chemistry and Physics, presented a poster at the World Conference on E-Learning in Corporate, Government, Healthcare, & Higher Education entitled “Cultivating Communities of Practice in the Science and Mathematics Association of Rural Teachers.”

***Brian Campbell**, Chemistry and Physics, presented a paper at the World Conference on E-Learning in Corporate, Government, Healthcare, & Higher Education entitled “Knowledge Management Applied to the SMART-COP Based on the Criteria for Performance Excellence from the Malcolm Baldrige National Quality Award.”

***Chelsea Church**, Pharmaceutical Practice, presented a workshop at the Oklahoma Society of Health System Pharmacists entitled “National Patient Safety Goal 03.05.01 Anti-Coagulation,” and served as session chair.

***Chelsea Church**, Pharmaceutical Practice, presented a workshop at the American Society for Pain Management Nursing entitled “A Review of Pain.”

***Chelsea Church**, Pharmaceutical Practice, reviewed an article for The Annals of Pharmacotherapy entitled “Aromatase Inhibitors for Ovulation and Pregnancy in Polycystic Ovary Syndrome.”

***Chelsea Church**, Pharmaceutical Practice, reviewed an article for The Annals of Pharmacotherapy entitled “Inpatient glycemic control and insulin requirements in patients recovering from critical illness.”

***Chelsea Church**, Pharmaceutical Practice, reviewed an article for the Journal of Pharmacy Technology entitled “An Update of Recent Trials with Vildagliptin-A Dipeptidyl Peptidase-4 Inhibitor for the Treatment of Type 2 Diabetes.”

***Chelsea Church**, Pharmaceutical Practice, chaired and facilitated the Vendor Showcase for the Oklahoma Society of Health-System Pharmacists 2009 Annual Meeting.

***Chelsea Church**, Pharmaceutical Practice, elected 2009-2010 President Elect for the Oklahoma Society of Health-System Pharmacists 2009 Annual Meeting.

***Chelsea Church**, Pharmaceutical Practice, presented a workshop at the Pharmacology for Advanced Practice Nurses hosted by The University of Oklahoma College of Nursing, entitled “Therapeutic Dilemmas in Pregnancy and Lactation.”

***Chelsea Church**, Pharmaceutical Practice, presented a workshop at the Pharmacology for Advanced Practice Nurses hosted by The University of Oklahoma College of Nursing, entitled “A Review of Pain.”

***Chelsea Church**, Pharmaceutical Practice, presented a workshop at the 2nd Annual Advanced Pharmacology Conference entitled “The ABC’s of STDs.”

***Jason Dupree**, Library, reviewed an article for the Communications In Information Literacy entitled “Mixing and Matching: Assessing Information Literacy.”

***Jason Dupree**, Library, presented a workshop at the Community of Oklahoma Instruction Librarians (COIL) entitled “Using Captivate.”

***Jason Dupree**, Library, presented a workshop at the 2009 Annual Conference for the Oklahoma Library Association entitled “Traveling Library Technology Training Show (COIL on Wheels).”

***Jason Dupree**, Library, facilitated a workshop for the In-Service Workshop for Henry G. Bennett Memorial Library at Southeastern Oklahoma State University entitled “Non-Traditional Techniques for Library Instruction and Non-Traditional Roles for Instruction Librarians.”

***Jason Dupree**, Library, published a journal article for the Public Services Quarterly entitled “Vyew: Web-based Conferencing and Collaboration.”

***Jason Dupree**, Library, selected to be a judge for the Oklahoma Historical Society for a contest entitled “Oklahoma State National History Day Contest.”

***Jason Dupree**, Library, published a journal article in the Journal of Academic Librarianship entitled “A Regression Model of Predictor Variables on Critical Reflection in the Classroom: Integration of the Critical Incident Questionnaire and the Framework for Reflective Thinking.”

***Jason Dupree**, Library, published a journal article in the College and Research Libraries entitled “Assessing Learning, Critical Reflection, and Quality Education: The Critical Incident Questionnaire.”

***David Esjornson**, Chemistry and Physics, presented a poster at the American Chemical Society Southwest Regional Meeting entitled “Synthesis and Characterization of Alkylimido Rhenium (V) Complexes.”

***Barry Gales**, Pharmaceutical Practice, reviewed an article for the Annals of Pharmacotherapy entitled “Role of Systemic Glucocorticoids in the Treatment of Acute Exacerbations of Chronic Obstructive Pulmonary Disease.”

***Barry Gales**, Pharmaceutical Practice, reviewed an article for the Annals of Pharmacotherapy entitled “Quality Assurance of Patients’ Self Monitoring of Blood Glucose in Community Pharmacies.”

***Mark Gales**, Pharmaceutical Practice, reviewed an article for the Annals of Pharmacotherapy entitled “Blood Pressure Controlled after Initiation of Spironolactone in Resistant Hypertension.”

***Mark Gales**, Pharmaceutical Practice, reviewed an article for the Annals of Pharmacotherapy entitled “Silodosin for Benign Prostatic Hyperplasia.”

***Mark Gales**, Pharmaceutical Practice, published an article in the Journal of Pharmacy Technology entitled “Intracoronary Vasodilators for the No-Reflow Phenomenon.”

***Mark Gales**, Pharmaceutical Practice, reviewed an article for the Annals of Pharmacotherapy entitled “The effect of antiplatelet and anticoagulant medications on the vaso-occlusive and thrombotic complications of sickle cell disease.”

***Frederick Gates**, Social Sciences, presented a paper at the 34th Annual Meeting of the Economic and Business Historical Society entitled “The Editorial Debate over Labor in Georgia’s Antebellum Textile Mills.”

***Frederick Gates**, Social Sciences, served as a session chair for “Price Fixing: Policies, Practices, and Ideas” at the 34th Annual Meeting of the Economic and Business Historical Society.

***Peter Grant**, Biological Sciences, published an article in the North American Ethological Society Annual Bibliography entitled “2008 NABS Mayfly Bibliography.”

***Vicki Hatton**, Kinesiology, published an article in the Oklahoma Association for Health, Physical Education, Recreation, and Dance (OAHPERD) Journal entitled “It’s a BIG Deal.”

***Allison Helm**, New Student Orientation, presented a workshop at the Regional Meeting for the National Orientation Director’s Association Conference entitled “Dawg Days: Ride of a Lifetime.”

***David Hertz**, Social Sciences, published a book through Rowman and Littlefield entitled “World History Workbook, Volume I, The Ancient World to 1500” and “World History Workbook, Volume II, The Modern World.”

***Philip Holley**, Social Sciences, presented a paper to the Annual Conference of the Oklahoma Sociological Association entitled “Implications of the Heller Decision in Oklahoma: Guns at School and in the Workplace.”

***Philip Holley**, Social Sciences, presented a paper at the Oklahoma Criminal Justice Association Conference entitled “Women and Victimization: Constructing Outcomes.”

***Philip Holley**, Social Sciences, presented a poster at Oklahoma Research Day entitled “The Practical Effects of Guns on Campus: Safety or Panacea.”

***Philip Holley**, Social Sciences, presented a paper at the Southwest Association of Criminal Justice Annual Conference entitled “Security on Campuses: From Panic to (Gun) Panacea.”

***Philip Holley**, Social Sciences, published a chapter in Female Victims of Crime: Reality Reconsidered entitled “Women and Victimization: Constructing Outcomes.”

***Philip Holley**, Social Sciences, presented a paper at the Annual Meeting of American Society of Criminology entitled “Lessons for Victimologists: Can We Learn Anything from Hurricane Katrina?”

***Philip Holley**, Social Sciences, presented a paper at the Oklahoma Criminal Justice Association Conference entitled “A Preliminary Examination of Student Attitudes about Allowing Guns on a Small Oklahoma University Campus.”

***Natalie Hopper**, New Student Orientation, presented a workshop at the Regional Meeting of the National Orientation Director's Association Conference entitled "Dawg Days: Ride of a Lifetime."

***Tim Hubin**, Chemistry and Physics, presented a poster at the National IDeA Symposium of Biomedical Research Excellence entitled "Biological Data for Transition Metal Complex CXCR4 Antagonists."

***Tim Hubin**, Chemistry and Physics, presented a poster at the 2009 IDeA Central Region Conference entitled "Bio-Coordination Chemistry: Transition Metal CXCR4 Antagonists."

***Tim Hubin**, Chemistry and Physics, published an article in the Journal of the American Chemical Society entitled "Binding Optimization through Coordination Chemistry: CXCR4 Chemokine Receptor Antagonists from Ultrarigid Metal Complexes."

***Tim Hubin**, Chemistry and Physics, published an article in the Inorganica Chimica Acta entitled "Synthesis and Characterization of the Chromium (III) complexes of ethylene cross-bridged cyclam and cyclen ligands."

***Jill Jones**, Language and Literature, published a chapter in Music and Culture entitled "The Delight of Words: The Elizabethan Sonneteers and American Country Lyricists."

***Faruk Khan**, Pharmaceutical Sciences, reviewed an article for Chemical Reviews entitled "Synthesis and Pharmacology of Anti-Inflammatory Steroidal Antedugs."

***Faruk Khan**, Pharmaceutical Sciences, published an article in Letters in Drug Design and Discovery entitled "Solution Parallel Synthesis of N-arylisoquinuclidines."

***Faruk Khan**, Pharmaceutical Sciences, reviewed an article for Current Medicinal Chemistry entitled "Review of Coumarin Derivatives in Pharmacotherapy of Breast Cancer."

***Faruk Khan**, Pharmaceutical Sciences, reviewed an article for the Journal of Biotech Research entitled "Study toward the Improvement of the Enantioselective Hydrolysis of Naproxen Esters by Sheep Liver Acetone Powder."

***Sophia Lee**, Music, Parliamentarian for the Southwestern Region of American Music Therapy Association.

***Sophia Lee**, Music, appointed to the academic program approval committee for the southwest region in the American Music Therapy Association.

***Sophia Lee**, Music, presented a paper at the National Sun Yat-Sen University entitled “Voices of Power: The Effectiveness of Music Therapy on Empowering Rural At-Risk Youth.”

***Sophia Lee**, Music, presented a paper at the National Sun Yat-Sen University entitled “Recreational Music/Music Therapy in the U.S. Alternative Education.”

***Sophia Lee**, Music, presented a workshop at the 2009 Children’s Behavioral Health Conference entitled “Drumming: Being a Better Self through Fun and Games.”

***Sophia Lee**, Music, submitted a grant application to Oklahoma Campus Compact entitled “Academic Service-Learning Incentive Grants.”

***Sophia Lee**, Music, session chair for the Southwestern American Music Therapy Association Conference. Session entitled “Roundtable for Educators and Clinical Training Supervisors-AMTA’s Updates on Education and Clinical Training.”

***Sophia Lee**, Music, presented a paper at the Southwestern American Music Therapy Association Conference entitled “Oklahoma Music Therapy State Recognition Task Force: 2006-2009.”

***Sophia Lee**, Music, presented a paper at the Southwestern American Music Therapy Association Conference entitled “Mommy, Baby and Music: The Effects of Music Therapy Protocol on the Mother-Child Bond.”

***Sophia Lee**, Music, presented a paper at the Southwestern American Music Therapy Association Conference entitled “The Effectiveness of Music Improvisation on Communication in a 7-year old Female with Autism: A Case Study.”

***Sophia Lee**, Music, presented a paper at the Southwestern American Music Therapy Association Conference entitled “Comparison of Singing vs. Instrumental Performance and Music with Movement on the Agitation of Dementia Patients.”

***Sophia Lee**, Music, consultant for the “2009 National Music and Psychological Health Education Panel of Experts” at The Children’s Center of China.

***Sophia Lee**, Music, presented a workshop at The University of Oklahoma College of Medicine Music as Medicine Club entitled “Music Therapy: An Overview.”

***Sophia Lee**, Music, presented a paper at the 10th Annual American Music Therapy Association Conference, Expanding the Gateway to Music Therapy entitled “Project Academia-Teaching Music Therapy: A Guidebook.”

***Sophia Lee**, Music, presented a paper at the 10th Annual American Music Therapy Association Conference, Expanding the Gateway to Music Therapy entitled “Embracing the Difference: Actions of Multicultural Music Therapy in Education and Practice.”

***Sophia Lee**, Music, presented a paper at the 12th World Congress of Music Therapy, Music, Culture, Sound and Health entitled “Feminist Perspectives in Music Therapy.”

***Ed Klein**, Education, presented a workshop for Professional Development Presentations entitled “Building Relationships; Building Learning.”

* **Kelley Logan**, Language and Literature, presented a paper at the Far West Popular Culture Association entitled “To See the Elephant: The John King Marker.”

***Joseph Maness**, Biological Sciences, member of the Board of Governors for the Oklahomans for Excellence In Science Education (OESE).

***Joseph Maness**, Biological Sciences, presented a workshop at the Oklahomans for Excellence In Science Education Evolution Workshop for Teachers entitled “Dealing with Questions About Evolution.”

***Joseph Maness**, Biological Sciences, published a lab manual for The University of Oklahoma Biological Station, Kingston, OK entitled “ Biology: A Laboratory Experience, 11th Ed. Revised.”

***Joseph Maness**, Biological Sciences, presented a workshop at the Annual Meeting of Association for Biology Laboratory Education entitled “The Nature of Science.”

***Tom McNamara**, Mathematics, judge for the Mathematical Association of America Undergraduate Poster Session at the American Mathematical Society - Mathematical Association of America 2009 Joint Meeting.

***Tom McNamara**, Mathematics, workshop coordinator for the American Mathematical Society - Mathematical Association of America 2009 Joint Meeting entitled “ProjectNExT Session Research Collaborations between Mathematicians and Math Educators.”

***Helen Maxson**, Language and Literature, presented a paper at the Conference on Christianity and Literature entitled “Overcoming the World: Strategies of the Poet and the Sculptor.”

***Katherine Miller**, Language and Literature, presented a paper at the 30th Annual Meeting of the Texas Popular Culture and American Culture Association entitled “Intuition or Imagination?”

***Warren Moseley**, Entrepreneurship and Computer Systems, received an honorable mention for the electronic publication of “Tommy Franks Leadership Institute and Museum” web site at the Association of Information Technology Professionals (AITP) 14th National Collegiate Conference and Competition.

***Warren Moseley**, Entrepreneurship and Computer Systems, presented a poster at the World Conference on E-Learning in Corporate, Government, Healthcare, and Higher Education (ELEARN) 2008 entitled “SMART-COP: The Current State of Practice and Lessons Learned in the Science Math Association of Rural Teacher's Community of Practice.”

***Warren Moseley**, Entrepreneurship and Computer Systems, presented a poster at the World Conference on E-Learning in Corporate, Government, Healthcare, and Higher Education (ELEARN) 2008 entitled “Cultivating Communities of Practice in the Science Mathematics Association of Rural Teachers.”

***Warren Moseley**, Entrepreneurship and Computer Systems, presented a paper and exhibit at the SWOSU Mini Gallery Exhibit entitled “The Joint Work of Joe London and Warren Moseley.”

***Warren Moseley**, Entrepreneurship and Computer Systems, presented a poster at Oklahoma Research Day entitled “Heterogeneous Xgrids for 3d Rendering of Complex Animated Digital Images.”

***Warren Moseley**, Entrepreneurship and Computer Systems, presented a paper at the World Conference on E-Learning in Corporate, Government, Healthcare, and Higher Education (ELEARN) 2008 entitled “Knowledge Management Applied to the SMART-COP Based on the Criteria for Performance Excellence from the Malcolm Baldrige National Quality Award Education.”

***Warren Moseley**, Entrepreneurship and Computer Systems, presented a poster at Oklahoma Research Day entitled, “Introduction of Measurable Quality Factors into the SMART-COP.”

***Steven O’Neal**, Biological Sciences, presented a poster at Oklahoma Research Day 2008 entitled “Preliminary Evaluation of Nutrient Limitation in Crowder Lake.”

***Steven O’Neal**, Biological Sciences, presented a poster at Oklahoma Research Day 2008 entitled “One Year after Flooding: Limnological Conditions in Crowder Lake.”

***Steven O’Neal**, Biological Sciences, presented a poster at EPSCoR Research Day at the Capital entitled “Preliminary Evaluation of Nutrient Limitation in Crowder Lake.”

***Patsy Parker**, Entrepreneurship and Computer Systems, reviewed a book for Pearson Education entitled “In Business” by Joseph Manzo.

***Edna Patatianian**, Pharmacy Practice, facilitated workshop for the Oklahoma Society of Health-System Pharmacists; (OSHP) entitled “COAG Workshop Groups.”

***Edna Patatianian**, Pharmacy Practice, published a review article in the Journal of Clinical Pharmacy and Therapeutics entitled “Retinoic acid syndrome: a review.”

***Edna Patatanian**, Pharmacy Practice, reviewed an article for the Annals of Pharmacotherapy entitled “Who Cites Non-English Language Pharmaceutical Articles?”

***Edna Patatanian**, Pharmacy Practice, reviewed an article for the Annals of Pharmacotherapy entitled “Silodosin for Benign Prostatic Hyperplasia.”

***Edna Patatanian**, Pharmacy Practice, guest speaker for the Wound Ostomy and Continence Nurses South Central Regional Conference. Spoke on “Urinary Incontinence.”

***Edna Patatanian**, Pharmacy Practice, presented a poster at the American Society of Health-System Pharmacists; (ASHP) entitled “Pharmacist Medication Profile Review to Decrease Hazardous Falls and Improve Patient Quality of Care as Part of a Pharmacy Fall Prevention Program.”

***Edna Patatanian**, Pharmacy Practice, guest speaker for Lunch and Learn Activities. Topics were “Beta Blockers, Angiotensin II Antagonists (ARB's), Alzheimer's Disease, Dementia, Osteoporosis Therapy, Other Agents, and Insomnia Medications.”

***Anil Pereira**, Entrepreneurship and Computer Systems, submitted a grant proposal to National Aeronautics and Space Administration through the Office of Experimental Program to Stimulate Competitive Research (EPSCoR) entitled “Access Control and Algorithm Acceleration in High Performance Computing Systems.”

***Anil Pereira**, Entrepreneurship and Computer Systems, presented a poster at Oklahoma Research Day entitled “Information Security in a University-Wide Grid Computing Infrastructure.”

***Anil Pereira**, Entrepreneurship and Computer Systems, presented a poster at Oklahoma Research Day entitled “Building a University-Wide Grid Computing Infrastructure.”

***Anil Pereira**, Entrepreneurship and Computer Systems, presented a paper at The 10th Linux Cluster Institute International Conference entitled “A Framework for Semantic-Based Dynamic Access Control in Data Grids.”

***Anil Pereira**, Entrepreneurship and Computer Systems, published a paper electronically for The 10th Linux Cluster Institute International Conference entitled “A Framework for Semantic-Based Dynamic Access Control in Data Grids.”

***Steven Pray**, Pharmaceutical Sciences, reviewed articles for the U.S. Pharmacist entitled “Minimizing the Discomfort of Allergic Rhinitis,” “Understanding and Managing Lactose Intolerance,” “Automated External Defibrillators in the Community Setting,” “Patients with Headaches: The Pharmacist’s Role,” “Pediatric Otitis Media: Managing Ear Infections in Children,” “Appropriate Use of Nonprescription Hydrocortisone,” “Recommending Analgesics for Common Conditions,” Prevention and Treatment of Hair

Loss in Men,” “The FDA, Vitamins, and the Dietary Supplement Industry,” “Calcium Supplements for Osteoporosis,” and “Nonprescription Products for the Baby.”

***Steven Pray**, Pharmaceutical Sciences, reviewed article for the Current Health 2: Weekly Reader entitled “Dandruff Answers for Teens.”

***Steven Pray**, Pharmaceutical Sciences, published review articles for Power-Pak C.E. entitled “Strategies for Recommending Nonprescription Headache Products for Your Patients,” “Self-Monitoring of Blood Glucose: More Effective with Patient Counseling,” and “The Pharmacist’s Role in the Appropriate Selection of an OTC Product for Pain Relief.”

***Steven Pray**, Pharmaceutical Sciences, published a review article for The International Journal of Pharmacy Education and Practice entitled “The Importance of Self-Care in Pharmaceutical Education.”

***Steven Pray**, Pharmaceutical Sciences, consultant for the Commissioner of Health for Baltimore, MD on “Nonprescription Products with Changes in Age Limits.”

***Steven Pray**, Pharmaceutical Sciences, consultant for ParaPRO Technology Advisory Board.

***Steven Pray**, Pharmaceutical Sciences, consultant for Proctor and Gamble on “The Efficacy of Topical Anititussives.”

***Steven Pray**, Pharmaceutical Sciences, appointed to the Medical Advisory Board Appointment Committee for the Essential Home OTCs, LLC.

***Steven Pray**, Pharmaceutical Sciences, discussed an article from the Centers for Disease Control entitled “Preventing Unsupervised Medication Ingestions and Overdoses in Children.”

***Steven Pray**, Pharmaceutical Sciences, guest speaker at the Getaway Seminars at St. John’s University. Spoke on “Nonprescription Products II: Respiratory Conditions.”

***Steven Pray**, Pharmaceutical Sciences, guest speaker at the Oklahoma Society of Health-System Pharmacists. Spoke on “Safety of Over-the-Counter Products in Special Populations.”

***Steven Pray**, Pharmaceutical Sciences, guest speaker at the SWOSU College of Pharmacy Foundation. Spoke on “Nonprescription Products V.”

***Steven Pray**, Pharmaceutical Sciences, guest speaker at the SWOSU College of Pharmacy Foundation. Spoke on “Nonprescription Products VI.”

- ***Steven Pray**, Pharmaceutical Sciences, guest speaker at the SWOSU College of Pharmacy Foundation. Spoke on “Nonprescription Products V.”
- ***Steven Pray**, Pharmaceutical Sciences, published a chapter in Pharmed, Inc. entitled “The Role of Nonprescription Products in Pain Relief.”
- ***Steven Pray**, Pharmaceutical Sciences, interviewed by Berkeley Wellness Letter on “Trolamine Salicylate.”
- ***Steven Pray**, Pharmaceutical Sciences, interviewed by Berkeley Wellness Letter on “Treatment of Burns in the Home.”
- ***Steven Pray**, Pharmaceutical Sciences, interviewed by Lachman Consultant Services on “Regulation of Vitamins.”
- ***Steven Pray**, Pharmaceutical Sciences, interviewed by SmartAnalyst Research and Analysis on “Regulatory Aspects of Dietary Supplements.”
- ***Steven Pray**, Pharmaceutical Sciences, interviewed by Ladies’ Home Journal for his expert and published in an article entitled “Treatment of Headaches with Nonprescription Products.”
- ***Steven Pray**, Pharmaceutical Sciences, interviewed by Shape Our World Magazine for and published an article entitled “Poison Ivy.”
- ***Steven Pray**, Pharmaceutical Sciences, reviewed an article for the Canadian Pharmacist’s Letter/Canadian Prescriber’s Letter entitled “Canadian Pediatric Society Head Lice Guidelines.”
- ***Steven Pray**, Pharmaceutical Sciences, reviewed 12 articles for the Journal of the American Pharmacists Association entitled “Florastor Kids,” “The Living Shield,” “CankerMelts,” “Salonpas,” “Certain DriFeet,” “Biofreeze,” “Cough and Cold Medicine Use in Young Children: Pharmacist Reaction,” “Cleanoz,” “Arnica Cooling Gel,” “Rain Dry Mouth Spray,” “RESPeRATE Blood Pressure Lowering Device,” and “AcetaDrink.”
- ***Steven Pray**, Pharmaceutical Sciences, reviewed 7 articles for the Pharmacist’s Letter/Prescriber’s Letter entitled “Miralax for Treating Constipation in Kids,” “Guidelines Will Improve Treatment of Earwax Build-Up,” “The Best Treatment for Ringworm and Other Tineas,” “Alternative Treatments for Cold Sores,” “How Criminals are Using Iodine Tincture to Produce Methamphetamine,” “Label Changes to Acetaminophen Products,” and “Natural Medicines in the Clinical Management of Chronic Fatigue Syndrome.”
- ***Steven Pray**, Pharmaceutical Sciences, reviewed 3 articles for Pharmed, Inc. entitled “Updates in the Management of Allergic Rhinitis and Conjunctivitis,” “Incorporating

Management and Law into Pharmacy Practice: Practical Tips for Pharmacists,” and “A Review of Recently Approved Drugs.”

***Steven Pray**, Pharmaceutical Sciences, reviewed an article for Research in Social and Administrative Pharmacy entitled “Ability of the Public to Appropriately Select and Safely Use Non-Prescription Medicines.”

***Steven Pray**, Pharmaceutical Sciences, reviewed 3 articles for The International Journal of Pharmacy Education and Practice entitled “Classroom Incorporation and Student’s Perceptions of Preparedness for Oral Examination in a Therapeutics Course,” “Advances in Pharmaceutical Education: an Experience with the Development and Implementation of an Objective Structured Clinical Examination (OSCE) in an Undergraduate Pharmacy Program at a Malaysian University,” and “Assessment of a Nonprescription Medicine Formulary Assignment for Student Pharmacists.”

***Steven Pray**, Pharmaceutical Sciences, reviewed an article for The University of Connecticut entitled “External Reviewer: Candidate for Promotion at The University of Connecticut.”

***Steven Pray**, Pharmaceutical Sciences, reviewed an article for The University of Texas entitled “External Reviewer: Candidate for Promotion at The University of Texas.”

***Linda Pye**, Library, chair of the Nominating Committee for the Oklahoma Library Association.

***Linda Pye**, Library, presented a paper at the Oklahoma Library Association Annual Conference entitled “Acquisitions in the Academic Library.”

***Carroll Ramos**, Pharmaceutical Sciences, published an article in Pharmat entitled “A Review of Recently Approved Drugs.”

***Mehdi Raoufi**, Entrepreneurship and Computer Systems, presented a paper at the Oklahoma Computing Conference entitled “A New Approach for Teaching Introduction to IT.”

***Tami Schulz-Moser**, Marketing and Management, published dissertation on ProQuest entitled “The Impact of Chief Executive Officer Perception in the Development of a Succession Management System in Small Businesses: A Qualitative Analysis.”

***Randall Sharp**, Pharmaceutical Practice, reviewed an article for The Annals of Pharmacotherapy entitled “A Comprehensive Review of Loop Diuretics for the Treatment of Edematous States: Should Furosemide be First Line.”

***Eithel Simpson**, Entrepreneurship and Computer Systems, presented a workshop at the Pre-Conference Workshop for the International Textiles and Apparel Association entitled “Issues Regarding Collaborative Research between Korean and American Scholars.”

***Alan Spies**, Pharmaceutical Sciences, published an article in Drug Topics entitled “The Pharmacist’s Duty to Warn: Implications for Pharmacy Practice.”

***Alan Spies**, Pharmaceutical Sciences, published an article in America’s Pharmacist entitled “Pharmacy Malpractice: Understanding, Mitigation, and Prevention.”

***Alan Spies**, Pharmaceutical Sciences, published a journal article in the University of Tennessee Advanced Studies of Pharmacy entitled “Dispensing Controlled Substance Prescriptions: A Legal Review for Practicing Pharmacists.”

***Alan Spies**, Pharmaceutical Sciences, guest speaker for the Oklahoma Pharmacists Association Pharmacy Law Seminar. Spoke on “Negligence and Medication Errors: Implications for Pharmacists.”

***Alan Spies**, Pharmaceutical Sciences, published a chapter in The Pharmacist’s Guide to Compensation for Medication Therapy Management Services entitled “Avoiding Fraud and Abuse.”

***Alan Spies**, Pharmaceutical Sciences, published an article in the American Journal of Pharmaceutical Education entitled “Teacher’s Topics.”

***Alan Spies**, Pharmaceutical Sciences, presented a workshop at the American Association of Colleges of Pharmacy Annual Meeting entitled “Facing the Challenges of the Multi-Generational Academic Workplace.”

***Alan Spies**, Pharmaceutical Sciences, presented a workshop at the Palm Beach Atlantic University School of Pharmacy Faculty Development Seminar entitled “The Use of Behavioral Interviewing in the Admissions Process.”

***Alan Spies**, Pharmaceutical Sciences, presented a paper at the Oklahoma Pharmacists Association Pharmacy Research Seminar Series entitled “Psychological Contract Violations in Pharmacy Students and Their Effect on Outcomes.”

***Alan Spies**, Pharmaceutical Sciences, reviewed an article for Pharmacy Continuing Education: Peer Reviewed Correspondence entitled “Incorporating Management and Law into Pharmacy Practice: Practical Tips for Pharmacists.”

***Alan Spies**, Pharmaceutical Sciences, published an article review in Duquesne Law Review entitled “A Pharmacist’s Duty to Warn: Promoting the Acceptance of a Consistent Legal and Professional Standard.”

***Joyce Stoffers**, Language and Literature, performed a poetry reading at the Pioneer Center entitled “Farmers’ Market.”

***Keith Talley**, Music, performed “Rhapsody for Alto Saxophone and Piano” and “BUKU for Alto Saxophone and Boombox” at the North American Saxophone Alliance Region IV Conference.

***Rahmat Talukder**, Pharmaceutical Sciences, presented a poster at the Annual Meeting of American Association of Pharmaceutical Scientists entitled “Asymmetric Press-Coated Matrix System for Near Zero-Order Sustained Drug for Release.”

***Rahmat Talukder**, Pharmaceutical Sciences, published a journal article in the Journal of Pharmacy and Pharmacology entitled “Development and In-Vitro Evaluation of a Colon-Specific Controlled Release Drug Delivery System.”

***Dennis Thompson**, Pharmaceutical Practice, reviewed an article for the Annals of Pharmacotherapy entitled “Cinacalcet for the Treatment of Primary Hyperparathyroidism.”

***Dennis Thompson**, Pharmaceutical Practice, reviewed an article for the American College of Clinical Pharmacy entitled “Evaluation of a Computerized Physician Order Entry Weight Based Unfractionated Heparin Protocol at Beth Israel Deaconess Medical Center.”

***Dennis Thompson**, Pharmaceutical Practice, published an article in the Journal of Clinical Pharmacy and Therapeutics entitled “Retinoic Acid Syndrome: A Review.”

***Dennis Thompson**, Pharmaceutical Practice, reviewed an article for the American College of Clinical Pharmacy entitled “Epidemiology and Outcomes of Patients Treated with Heparin during Hospitalization.”

***Dennis Thompson**, Pharmaceutical Practice, published an article in the Annals of Pharmacotherapy entitled “Publication Metrics and Record of Pharmacy Practice Chairs.”

***Dennis Thompson**, Pharmaceutical Practice, reviewed an article for the American College of Clinical Pharmacy entitled “An Analysis of Adverse Events Related to Peripheral Intravenous Catheter Use in Hospitalized Patients.”

***Dennis Thompson**, Pharmaceutical Practice, presented a poster at the American Association of Colleges of Pharmacy Annual meeting entitled “Publication Patterns of Pharmacy Practice Chairs.”

***Dennis Thompson**, Pharmaceutical Practice, reviewed an article for the Annals of Pharmacotherapy entitled “Role of Omega-3 Fatty Acids for Prenatal Depression.”

***Dennis Thompson**, Pharmaceutical Practice, distinguished alumni for 2009 Ohio State University College of Pharmacy.

***Dennis Thompson**, Pharmaceutical Practice, reviewed an article for the Annals of Pharmacotherapy entitled “Who Reads Non-English Language Pharmaceuticals?”

***Dennis Thompson**, Pharmaceutical Practice, reviewed an article for the Annals of Pharmacotherapy entitled “Acetaminophen Toxicity at Therapeutic Doses: Fact or Fiction?”

***Dennis Thompson**, Pharmaceutical Practice, reviewed abstracts for the American College of Clinical Pharmacy and the European Society of Clinical Pharmacy International Congress.

***Dennis Thompson**, Pharmaceutical Practice, reviewed an article for the American College of Clinical Pharmacy entitled “Epidemiology and Outcomes of Patients by Serum Digoxin Levels during Hospitalization.”

***Dennis Thompson**, Pharmaceutical Practice, reviewed an article for the Annals of Pharmacotherapy entitled “Who Cites Non-English Language Pharmaceutical Articles?”

***Dennis Thompson**, Pharmaceutical Practice, reviewed an article for the American College of Clinical Pharmacy entitled “Pharmacist Driven Review and Upgrade of Alaris® Smart Pump Technology in the ICU.”

***Dennis Thompson**, Pharmaceutical Practice, reviewed an article for the American College of Clinical Pharmacy entitled “Impact of the Implementation of a Pharmacist-Run Discharge Medication Reconciliation Procedure.”

***Dennis Thompson**, Pharmaceutical Practice, reviewed an article for the American College of Clinical Pharmacy entitled “Can an End Tidal Carbon Dioxide Device Enable More Accurate Dosing and Monitoring of Post Surgical Patients on Patient Controlled Analgesia?”

***Dennis Thompson**, Pharmaceutical Practice, reviewed an article for the American College of Clinical Pharmacy entitled “Epidemiology and Outcomes of Patients with Changes in Renal Function During Hospitalization that May Require Dosage Adjustment.”

***Dennis Thompson**, Pharmaceutical Practice, published an article in the American Journal of Pharmaceutical Education entitled “Identifying Perceptions of Professionalism in Pharmacy Using a Four-Frame Leadership Model.”

***Dennis Thompson**, Pharmaceutical Practice, reviewed an article for the American Journal of Pharmaceutical Education entitled “Factors that Influenced Student Authors to Participate in a Scholarly Experience Leading to Publication.”

- ***Cody Timmons**, Chemistry and Physics, published an article in Chemical Communications entitled “A microwave assisted intramolecular-furan-Diels-Alder approach to 4-substituted indoles†.”
- ***Cody Timmons**, Chemistry and Physics, published an article in the Journal of Organic Chemistry entitled “Density Functional Calculation of ¹³C NMR Shifts of Diazapehnanthrene Alkaloids: Reinvestigation of the Structure of Samoquasine A.”
- ***Muatasem Ubeidat**, Biological Sciences, presented a poster at the XX International Congress of Genetics entitled “5’-Nucleotidase in Dictyostelium: Level of Gen Expression and Possible Functions During Development.”
- ***Muatasem Ubeidat**, Biological Sciences, presented a poster at Oklahoma Research Day entitled, “Chemical Properties and Rate of Degradation of Anti-Cancer Drug Temozolomide.”
- ***Muatasem Ubeidat**, Biological Sciences, presented a poster at Oklahoma Research Day entitled, “Localization of Genes Involved in Synthesis and Degradation of cAMP.”
- ***Virgil Van Dusen**, Pharmaceutical Sciences, presented a workshop at the Southwestern Pharmacy Alumni Foundation Continuing Education Program entitled “Pharmacy Malpractice.”
- ***Virgil Van Dusen**, Pharmaceutical Sciences, presented a workshop at Getaway Seminars entitled “Pharmacy Law Update and Medication Errors.”
- ***Virgil Van Dusen**, Pharmaceutical Sciences, published an article in America’s Pharmacist entitled “Pharmacy Malpractice: Understanding, Mitigation, and Prevention.”
- ***Virgil Van Dusen**, Pharmaceutical Sciences, published a chapter in The Pharmacist’s Guide to Compensation for Medication Therapy Management Services entitled “Avoiding Fraud and Abuse.”
- ***Virgil Van Dusen**, Pharmaceutical Sciences, presented a workshop at the Iowa Pharmacy Association 2009 Educational Expo entitled “Federal Law Review.”
- ***Virgil Van Dusen**, Pharmaceutical Sciences, presented a workshop at the Iowa Pharmacy Association 2009 Educational Expo entitled “Legal Issues in Pharmacy Management.”
- ***Virgil Van Dusen**, Pharmaceutical Sciences, presented a workshop at the Oklahoma Association of Optometric Physicians Regional Conference entitled “Judicious Prescribing: Legal Jeopardy for the Optometrist.”

***Virgil Van Dusen**, Pharmaceutical Sciences, published a chapter in The Dean's Compass: Practical Advice for Achieving Excellence entitled "Avoiding Legal Quicksand."

***Virgil Van Dusen**, Pharmaceutical Sciences, presented a workshop at the Southwestern Pharmacy Alumni Continuing Education Program entitled "Controlled Substances: Update 2009."

***Nancy Williams**, Pharmacy Practice, guest speaker at the 2008 Southwestern Pharmacy Continuing Education Travel Seminar. Spoke on "Asthma Management."

***Nancy Williams**, Pharmacy Practice, guest speaker at the 2009 Oklahoma Society of Health-System Pharmacists (OSHP) Annual Meeting. Spoke on "Medication Administration through Enteral Feeding Tubes."

***Nancy Williams**, Pharmacy Practice, reviewed an article for Hospital Pharmacy entitled, "Optimizing Vancomycin Dosing through Pharmacodynamic Assessment: A Paradigm Shift."

***Nancy Williams**, Pharmacy Practice, reviewed an article for American Journal of Health-System Pharmacy entitled "Recommendations for the Use of Medications with Continuous Enteral Feedings."

***Nancy Williams**, Pharmacy Practice, reviewed an article for American Journal of Health-System Pharmacy entitled "Factors Associated with Adherence to Guidelines for the Use of Tigecycline in a Tertiary Care Hospital."

***Nancy Williams**, Pharmacy Practice, presented a poster at the American Society of Health-System Pharmacist Midyear Clinical Meeting entitled "Rhabdomyolysis with Acute Renal Failure Due to a Simvastatin-Ketoconazole Drug Interaction."

***Nancy Williams**, Pharmacy Practice, guest on Reach MD's "Focus on Pharmacy" a national radio channel for medical professionals on XM Satellite Radio and the Web. Spoke on "Medication Administration through Enteral Feeding Tubes."

***Nancy Williams**, Pharmacy Practice, published an article in the AM J Health-System Pharmacy entitled "Medication Administration through Enteral Feeding Tubes."

***Nancy Williams**, Pharmacy Practice, reviewed 17 articles for the 2009 American Association of Colleges of Pharmacy (AACCP) entitled "Using OSCE's to Shift the Paradigm in Pharmacy Education," "Using Peer Review in a Large Drug Information Course," "Using 'Google Apps' to Support a Problem-based Learning Curriculum," "Utilizing a Diabetes Certificate Training Program as a Component of an Advanced Diabetes Elective Course," "Utilizing Mock Clinics for Evaluating Clinical Skills in a Third Year Pharmacy Practice Course," "Validation of a Professionalism Instrument Among Recent PharmD Graduates," "The Use and Effect of Electronic Games in Pharmacy Top 200 Drugs Education," "Public

Health Public Service Announcements: An Elective Class Project For Generation Y.”
