

Resources available for your students

[Health and Counseling Services](#)

Visit the Campus Nurse for free. Doctor referrals, allergy injections, flu testing, etc. are available for a small fee. The fees are listed on the website.

Licensed Professional Counselors are available to visit with students about life issues. These services are free to SWOSU students and confidential.

[Dean of Students](#)

Have questions? Visit the Dean of Students website for ADA, student organizations, financial and academic appeals. She will also notify instructors when students are sick.

[Career Services](#)

Not sure which direction to go? Career Services can help with career testing and counseling, help deciding a major, resumes, and job searches.

[Library](#)

Looking for something? The Al Harris Library contains resources for papers, and the Writing Center tutors help students with papers. Laptops, video equipment, videos/DVDs, and e-book readers are available for check out.

[Tutoring](#)

Having trouble in a subject? Academic departments offer free tutoring. Click the link to view the current tutoring schedule.

[Wellness Center](#)

Need a place to stay in shape? The Wellness Center offers intramural sports, cardio equipment, free weights and machines, an indoor track, and rock wall climbing.
