College Level Examination Program (CLEP)

Southwestern is a computerized CLEP testing center and accepts credit earned by CLEP exams. Credit earned from CLEP exams will appear on your transcript only after completing 12 credit hours of study at Southwestern. CLEP exams are administered at the above noted Weatherford and Sayre locations. Please call for an appointment. For best results, schedule only one CLEP per day. The cost for each CLEP exam is \$92 (subject to change). Please make an advance payment of \$15 at Southwestern's Business Office. You must present your receipt along with your primary current photo ID and secondary ID ([Forms of Identification](#)) to the Assessment staff for your testing appointment. Please be prepared to pay the remaining \$77 by credit card (or check if necessary) before you begin the exam. The CLEP exams for which Southwestern issues credit, the minimum scores required, and the courses for which credit can be earned are located at the bottom of this page and on the reverse side.

Study Guides

Study guides containing sample questions and answers, test-taking strategies, as well as general information are available for purchase by credit card at the link below. The cost of the CLEP Official Study Guide 2011 is \$24.95 (subject to change). Individual study guides are \$10.00 (subject to change).
