

April 23, 2007

Dear Dr. Travis:

NCATE's Unit Accreditation Board met earlier this week to determine the accreditation status of 57 institutions. We are pleased to inform you that accreditation has been continued for the professional education unit at Southwestern Oklahoma State University. The formal letter and action report will be mailed to you and your president within two weeks. Congratulations!

Sincerely yours,

A handwritten signature in blue ink that reads "Donna M. Gollnick".

Donna M. Gollnick
Senior Vice President, NCATE
