(1) Grievance Procedure (Handout #4 from February)

The following motion was made and seconded:

FS Motion 2001-03-01 that the Faculty Senate approve the Grievance procedure.

Several corrections and questions were raised for consideration of the Grievance Procedure document: on page 4, under h1a, strike "University of Oklahoma;" on page 4, under h5, the Personnel Policies Committee will determine the correct title of SWOSU's legal counsel; on page 2, under f2, consideration will need to be given to how the 20 members are to be selected; on page 3, under 3a, perhaps the same pool could be used here and on page 2, under f2; and on page 7, under footnote 3, delete the words "elsewhere in the Faculty Handbook."

The following amendment was moved and seconded:

1st Amendment to FS Motion 2001-03-01 that on page 2, under f2 of the Grievance Procedure after the words "all full-time tenured faculty," the following words be added: "and non-tenured faculty."

The motion, as corrected and amended, carried.

   (1) Administrative Presence
   (2) Review of Standing Rules – consideration of indication who makes motions, and the vote counts

Currently no changes on the standing rules regarding administrative presence, authors of motions, and vote counts are recommended. The committee will be considering additional input from on-campus and off-campus sources.

The following motion was made and seconded:

FS Motion 2001-03-02 that the Faculty Senate Judiciary Committee research and report back to the Faculty Senate if other faculty senates and/or faculty governance bodies have an administrative presence at Faculty Senate meetings, whether they record/disclose in their minutes the authors of motions and vote counts, and what are the eligibility guidelines for serving in those bodies.
