VI. ANNOUNCEMENTS:

A. From FS President Les Ramos:

   1. Executive and Administrative Council meetings of October 27, 2008:

      a. 403b (pre-tax contribution) Retirement Plans: The regional universities are in the process of selecting a vendor to provide investment options and to manage employee 403b retirement accounts. Changes in IRS regulations for 403b plans (effective January 1) have placed the responsibility of compliance with institutions. A single vendor is the most efficient way to manage the complex administration of these accounts. A number of potential vendors, including TIAA-CREF, have submitted bids to provide services for the regional universities as a group. Representatives from each regional institution (Vice Presidents, Business Officers, HR Directors, and faculty) will be meeting over the next several weeks to review the packages and to select a vendor. The university is aware of the need for comprehensive employee education on this issue. Employees, particularly those that have a 403b account, should look for emails concerning this issue.

      b. Health Insurance: After completion of the 403b project, the regional business officers and HR directors will begin a similar process with health insurance vendors. The University Benefits Committee welcomes suggestions and concerns regarding employee and dependent health insurance. The goal is to have the vendor in place and providing services January 2010.

      c. Budget Planning: A series of meetings with unit budget managers (deans, associate deans, chairs) have been held and a revised budget is nearing completion. The
President has arranged for a web cast entitled, Making the Case for Strategic Resource Allocation, on January 20.

d. **Energy Conservation and Education:** Vice President Fagan is considering the implementation of a comprehensive energy conservation and education plan at SWOSU. The plan, which is managed by Energy Education, Inc. (www.energyeducation.com), has been reported to save the OSU campuses $2.2 million over the first seven months of 2008.

e. **Campus Gun Bill:** The campus gun bill has been revived in the state legislature. It was suggested to ask Randy Beutler to brief the Faculty Senate on current legislative issues at an upcoming meeting.

2. **Executive Committee meeting with the Provost and Associate Provost on October 29, 2008:**

   a. **Instructional Materials Policy Issues and Questions:** The Follett contract is usually in the range of 5-7 years and is re-bid periodically (in the past, the only vendors placing bids were Follett and Barnes & Noble). Online departmental listing of textbooks is strongly encouraged; however, the Follett contract prevents the bookstore from extracting textbook adoption information from departmental websites: the proprietary Follett form must be used.

B. **FS Secretary/Treasurer Lisa Appeddu:**

   1. **Roll Sheet** – please sign.

   2. **Treasurer’s Report:**
      
      a. BancFirst Checking account (No change): $1981.53
      
      b. University account balance (No change): $129.15

C. **FS President-elect Scott Long:** None

E. **Parliamentarian John Hayden:** Discussed the proper procedures to address Committee Reports in following the Robert’s Rules of Orders during Faculty Senate meetings.

   1. The need for energy conservation and education, specifically in the dorm rooms
   2. A proposal to better define how the student activities fee is spent
   3. A proposal for SWOSU to become a non-smoking campus

**VII. REPORTS FROM STANDING AND AD HOC COMMITTEES:**

A. **University Policies Committee on University Email and Web Usage Policy:** The Committee is working on a faculty-based contribution to the university email and web usage policy as currently proposed for staff.
VIII. UNFINISHED BUSINESS: None

The motion passed by voice vote.

B. President Les Ramos was charged to appoint an Ad hoc committee to explore the possibility of establishing an Honors Program or College at SWOSU.

X. ADJOURNMENT: 3:35 p.m.

Respectfully Submitted,
