
Government Information Worksheet

Government Information on the World Wide Web

Pick one of the following websites and answer questions based upon what you find.

Census Bureau	www.census.gov	FBI	www.fbi.gov
CDC	www.cdc.gov	Library of Congress	www.loc.gov
Dept. of Education	www.ed.gov	NASA	www.nasa.gov
Dept. of Energy	www.energy.gov	USGS	www.usgs.gov
FCC	www.fcc.gov		

Provide the web address of your government website

1) Identify one effort by this website to create public awareness on a particular issue.

2) Name one instance where this government agency is involved in a current event (national or world). Describe that event and the agency's role in it.

3) What kind of information is collected by this agency?

4) Name one aspect of this website that appealed to you.

5) Name one piece of information you didn't expect to find on this government website.
