FINAL EXAMS POLICY

1. Students may drop classes through April 25 (the Friday preceding finals).
2. During the regular semester, the three days prior to the beginning of finals (April 28, 29 & 30) are considered "dead days" in that no examinations, quizzes, extracurricular events (other than unscheduled league play-off events) or required field trips are to be scheduled, and no papers, reports or projects be due or presented during these days.
3. If students feel that the dead days policy is not being followed, students should speak with the faculty. If no resolution is reached, students should contact the department chair and ask for their help. If that route is unsuccessful, students should speak with the dean of their college.
4. Departments/Academic Units will schedule room assignments for final exams through the office of the Executive Vice President.
5. Exams for single classes must follow the schedule.
6. Multi-section exams scheduled by an instructor must have the approval of the Vice President for Student Affairs for both time and room space. These are scheduled on a first-come, first-serve basis.
7. Multi-section exams must be approved one week before the first final exam (Thursday, 5 p.m., April 24) and classes notified of the schedule.
8. In case of conflict between single sections and multi-sections, the single section takes precedence for the student's time.
9. Occasionally, the final exam schedule results in a student having more than three exams on any given day. Students may seek assistance in alleviating this excessive schedule from the Vice President for Student Affairs on the Weatherford campus or from the Dean at the Sayre campus.
10. NO EARLY FINALS. Early finals are any final given prior to 8:30 a.m. on the Thursday of finals week. (Lab finals are scheduled prior to finals week.)
11. Students unable to meet the regular examination schedule will receive an "I" (Incomplete) and will have the next full semester in which they are enrolled to complete their work.
