PRECAUTIONS AND SPECIAL INFORMATION

1. **HOLDS:** All financial obligations must be cleared through the Business Office **prior to enrollment**. All other holds ("*Admission*", *etc.*) must also be cleared **prior to enrollment**.
2. **OVERLOADS:** **An undergraduate student will be allowed to enroll in an overload only with the approval and signature of the Provost or his/her designee in the specified place on the enrollment schedule.** A graduate student who wishes to enroll in an overload must have the written approval of the Graduate Dean. Interim Seminars do not count on a student's summer load. Seminars during the regular summer semester DO count on the summer load. AN OVERLOAD IS DEFINED AS: Undergraduate--regular eight weeks summer semester--11 or 12 HOURS; Graduate--regular eight weeks summer semester--10 OR MORE HOURS.
3. **TEACHER EDUCATION COURSES:** **Students may enroll in "Department of Education only" courses** after admission requirements are complete. Students who have been admitted to the Department of Education and have allowed their GPA to fall below 2.50 will be prevented from enrolling in these courses. The only exception will be those students with special permission from the Chair of the Department of Education. (*A list of restricted courses is available in the Office of the Chair of the Department of Education, EDU-102*).
4. **TEACHER EDUCATION PROFESSIONAL SEMESTER COURSES:** (*Mini-Block and Student Teaching*) In addition to the Teacher Education admission requirement, students may enroll in the Professional Semester courses only after submitting an application for Student Teaching and obtaining a signature from the Department of Education on the enrollment schedule. The space provided for "*Special Approval*" should be used for this signature.
5. **PROFESSIONAL NURSING COURSES:** Students may enroll in a restricted Professional Nursing course only after obtaining the signature of an approved nursing advisor on the enrollment schedule in the space provided for "*Special Approval*".
6. **PROFESSIONAL PHARMACY COURSES:** Students may enroll in restricted Professional Pharmacy courses only after admission to the College of Pharmacy or with a special permit form from the Dean of the College of Pharmacy.
7. **GRADUATE CREDIT:** **Students wishing to pursue a master's degree must be admitted into a master's degree program before enrolling in hours beyond nine graduate hours.** Only nine hours from another university or taken from Southwestern before being admitted to a degree program may transfer into the degree program. Students seeking certification or taking graduate credit with no intention of seeking a master's degree must submit credentials and be admitted to graduate school before enrolling in coursework past nine graduate credit hours. **Three- and four-thousand level courses marked by an asterisk may be taken for graduate credit. These courses may be used to meet requirements of a graduate degree if part of an approved program. The student must indicate at the time of enrollment if s/he wants a course for graduate credit. Five-thousand level Business courses are for MBA graduate students only.**
8. **FOUR YEAR DEGREE PLAN:** SWOSU offers many educational programs resulting in BS/BA degrees to be completed in four years. The "SWOSU Four-Year Degree Plan" is designed as an agreement between the first time freshman and the University specifying the conditions that must be met for progression toward completion of a BS/BA degree in four years. During the first semester of the freshman year, the student and his/her advisor will design the student's tentative "SWOSU Four-Degree Plan." The student must make an appointment each semester with the advisor to review the plan and evaluate the progress.
9. **INDIVIDUAL STUDIES:** If a student is enrolling in an Individual Study by arrangement with an instructor, s/he must complete an Individual Study form obtained from the appropriate Department Head during advisement. The Individual Study form should be sent to the office of the Associate Provost or his/her designee before final enrollment processing in the Enrollment Room (A-106).
10. **OKLAHOMA SCHOLAR-LEADERSHIP ENRICHMENT PROGRAM:** Southwestern participates in the Oklahoma SLEP program. Students will attend all classes on their home campus. Students may be required to travel to the Weatherford campus for final examinations.
