FINAL EXAM POLICY

1. Students may drop classes with instructor permission up to five days prior to the beginning of finals.

2. During the regular semesters, the three class days prior to the beginning of finals are considered "dead days" in that no graded assignments or activities are to be scheduled. Extracurricular events (other than unscheduled league play-off events) and required field trips are prohibited. Attendance policies will remain in force.

3. If students feel that the dead days policy is not being followed, students should speak with the faculty. If no resolution is reached, students should contact the department chair and ask for their help. If that route is unsuccessful, students should speak with the dean of their college.

4. Departments/Academic Units will schedule room assignments for final exams through the office of the Executive Vice President.

5. Exams for single classes must follow the schedule.

6. Multi-section exams scheduled by an instructor must have the approval of the Vice President for Student Affairs for both time and room space. These are scheduled on a first-come, first-serve basis.

7. Multi-section exams **must be approved one week before the first final exam** (Monday, 5 p.m., December 7) and classes notified of the schedule.

8. In case of conflict between single sections and multi-sections, the single section takes precedence for the student's time.

9. Occasionally the final exam schedule results in a student having more than three exams on any given day. Students may seek assistance in alleviating this excessive schedule from the Vice President for Student Affairs on the Weatherford campus or from the Dean at the Sayre campus.

10. **NO EARLY FINALS.** Early finals are any final given prior to 8:30 a.m. on the Monday of finals week. (Lab finals are scheduled prior to finals week.)

11. Students unable to meet the regular examination schedule will receive an "I" (Incomplete) and will have the next full semester in which they are enrolled to complete their work.

STUDENT IMMUNIZATION

Oklahoma state law requires all full or part-time students to have on file with Student Health Services written documentation of vaccination against Hepatitis B and Measles, Mumps, and Rubella (MMR). In addition, first-time enrollees who will be living on campus must be vaccinated against meningococcal disease. ADAAA INFORMATION

Students with verified disabilities are entitled to reasonable accommodations in order to complete educational goals while attending Southwestern. For accommodations to be provided, students must request accommodations and provide complete documentation to the Dean of Students. Documentation must be from a licensed professional in the field of the disability. Students must sign a waiver of release of information and the Dean of Students will notify faculty of needed accommodations. If specific physical accommodations will be required, please notify the Dean of Students upon admission to the University (STF-214, 580-774-3767).

INCLEMENT WEATHER STATEMENT

Southwestern rarely cancels classes for inclement weather. However, if there is a need to close the university, the SWOSU hotline number (580-774-3225) will be updated by 6:30 a.m. and area radio and television stations will be notified as soon as possible. If there is no announcement related to class cancellations, it can be assumed that the university will be open and classes will be held as scheduled.

The Registrar would appreciate your turning in grades for classes as you complete them. **All final grades must be submitted by 5:00 p.m., Monday, December 21, 2015.**
