HOW TO CITE ELECTRONIC SOURCES
Electronic Subscription Services
MLA Style Manual
Citations are for full text items from electronic subscription services.

Works-cited list should consist of the following items:

- Name of the author (if given)
- Publication information (this includes title and date of the print publication)
- Title of the database (underlined)
- Publication medium (Online) or (CD-ROM)
- Name of the computer service or company
- Date of access
