

## Fall Scholarship Recipients

Moin Khan is a senior Math & Engineering Physics major from Pakistan. Jacy Padgett, senior math education major, is from Pampa, Tx. She hopes to teach in the OKC area. Ashis Shrestha comes to us from Nepal. He is a junior Math and Physics major.

## Spring Scholarship Recipients

Krystal Sawatzky, a senior from Weatherford, is the KME president. She graduates in May and has accepted employment in OKC area. Jeremy Townley, Chickasha senior, will graduate in May and plans to work in the OKC area. Cammi Valdez, Enid junior, is looking at both pharmacy and math as majors.

Tim Gaston, Altus junior, works in the tutor lab and as grader. Ashley McMunn, Sapulpa senior, is pursuing a math education degree.

## Simons Petroleum Recipient

Keith Peters is a junior from Corn, OK. He serves as secretary of Kappa Mu Epsilon, vice president of Phi Beta Lambda, and has tutored for the department.

## Faculty Changes

Dr. East has resigned as Department Chair to return to full-time teaching. Dr. John Woods has been named the

new Chair. Ms. Cathy DeVaughan and Ms. Cheryl Leonard have been given leave for 2006-2007. Ms. Kathy O'Neal has been hired as one-year temporary for 2006-2007.

## Meet Our Faculty

Ron Koehn has been an instructor in the Math Department at SWOSU for seven years. Prior to coming to Southwestern, he taught as a high school teacher and as instructor at Wichita State University. His teaching responsibilities include Basic Algebra, College Algebra and his favorite, Geometry for Elementary Teachers. Ron is currently working on his PhD in Mathematics Education at the University of Oklahoma. He finds it interesting to be on both sides as a student and a teacher. Ron and his wife, Marie, have two children, Brian and Renae. He enjoys writing computer programs as a hobby.

## Distinguished Scholarship

Shyla Fast, Weatherford, was awarded a scholarship in memory of **Norma Carter** who received her Masters degree from SWOSU and taught elementary mathematics and reading in Oklahoma for almost 40 years. The memorial in her name was established by a former SWOSU mathematics faculty member, Dr. Sandy Johnson.

## Dean's Tuition Waivers

Three students were selected to receive tuition waivers by the Dean of the College of Arts & Sciences. Tyrel Crall is a junior Math major from Weatherford. Dustin Wulff is a junior with a major in Interdisciplinary Studies. His hometown is Mustang, OK. Also selected was Moin Khan (see picture above left), a senior from Pakistan. He has a double major in Math and Engineering Physics.

## Congratulations to our graduates

Shyla Fast, Moin Khan, Joy Oxford, Jacy Padgett, Kayla Richter, Krystal Sawatzky, and Jeremy Townley.

**Your Donation** helps to enhance the education of our students. Thanks to all alumni and friends!
