- Upload all evidence files
- Present report to regents
- Online finalization of report
- Lock report with HLC
- HLC on-site visit

January-  
April 2020

August 2020

October 2020

## A few thoughts

---

- We're not aiming for a snapshot in time
- It truly takes everyone involved
- We don't implement changes because HLC says so, we implement changes because HLC believes that's what helps an institution's effectiveness.
