Note to Students: Transfer maps provide a semester-by-semester guide to a university showing how TCC courses transfer to a specific bachelor's degree program. This transfer map is based on a full-time schedule and is just one example of how a student may successfully complete degree requirements for both programs. Students should work with a TCC advisor and the university to ensure they are on-time and on-track for transfer. Students are responsible for understanding the program/admission/transfer requirements for the university and for completing requirements in the official degree sheet for each major.

Note: If A.A. Music degree is not completed at TCC prior to transferring to SWOSU, additional general education courses will be required for degree completion for the listed bachelor's degree at SWOSU.
