Student Recommendation for Preceptor Recognition

(to be used for volunteer and adjunct SWOSU faculty)

The Pharmacy Practice department annually recognizes outstanding preceptors in various practice settings. Student input is valued in the selection process. Suggested criteria for the awards include the following:

- The preceptor demonstrated an interest and ability to teach
- The preceptor was enthusiastic about their practice area and inspired interest in pharmacy practice
- The preceptor was knowledgeable in their response to questions and their approach to therapy
- The rotation activities were structured and well organized
- The preceptor encouraged me to participate in independent problem solving and asked questions that stimulated critical thought.

Please complete the information below to recommend a preceptor for consideration. Supporting comments are required.
