

PHARMACY TECHNICIAN IMMUNIZATION TRAINING PROGRAM

Saturday, July 12, 2025

Provided by the
Rural Health Center
College of Pharmacy
Southwestern Oklahoma State University
and Southwestern Pharmacy Alumni Foundation

SWOSU College of Pharmacy Rural Health Center is proud to offer you the APhA's *Pharmacy-Based Immunization Administration for Pharmacy Technicians* certificate program for Technicians Saturday, July 12, 2025, from 8am to 12pm on the Weatherford campus. The Immunization Training Program is 6 hours total, online work (2 hours) and live attendance (4 hours). The enrollment link will be sent to you for the 2 hours of home-study material after your registration and payment has been confirmed. The online homework is to be completed prior to the on-site 4-hour class program.

*CPR is NOT PART of the Immunization Training Program
You are responsible for completing CPR training prior to the classroom program or attending
the CPR session offered on Friday July 11, 2025 (separate enrollment form).*

Class size is limited to 20 technicians. **PLEASE REGISTER EARLY.**

Home Learning Objectives:

At the completion of the home-study component, the learner will be able to:

- Describe proper technique when drawing up and administering immunizations
- Recognize commonly used vaccines and their corresponding routes of administration
- Distinguish proper needle length selection based on vaccine and patient age and size
- Identify proper documentation procedures
- Recall vaccine storage requirements
- Describe safety measures to avoid accidental needle stick injuries
- Recognize appropriate actions to take in emergency situations

Live Seminar Learning Objectives:

- Demonstrate a successful technique when administering an intramuscular and subcutaneous injection.
- Demonstrate appropriate distraction techniques during immunization administration.
- Demonstrate the use of universal precautions as they pertain to bloodborne pathogens
- Explain the procedures for managing a vaccine reaction emergency

ACPE Accreditation Information

The American Pharmacists Association is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

Successful completion of this live seminar component involves attending the full live seminar, successfully completing the injection technique assessment and completing the online assessment and evaluation. Successful completion of this component will result in 4 contact hours of CPE credit (0.4 CEU)

Activity Type: Practice-based
