The College of Arts and Sciences offers a wide variety of professional and general education programs that also underpin and reinforce all the other programs of the University. The college boasts seven departments: *Art, Communication and Theatre; Biological Sciences; Chemistry and Physics; Language and Literature; Mathematics; Music* and *Social Sciences*. These departments offer programs leading to the Bachelor of Arts, the Bachelor of Science, and other baccalaureate degrees including an *Interdisciplinary Studies* option. They also offer a wide range of minor programs of study and provide pre-professional programs in *Communication Sciences and Disorders, Dental Hygiene, Dentistry, Engineering, Law, Medicine, Nutritional Science, Occupational Therapy, Optometry, Physical Therapy, Physician Associate, Medical Imaging and Radiation Sciences and Veterinary Medicine*.

The faculty in the College of Arts and Sciences strive for excellence in teaching, exhibit a professional work ethic, and foster working relationships with students. Quality advisement and caring about the student as an individual are essential components of the college experience.

Graduates from the programs in the College of Arts and Sciences are provided the preparation required for careers, professional schools, or post-baccalaureate education in their major areas of study. Central to this preparation is their development as lifelong learners with the communication and analytical skills necessary to function in our technical and diverse society. They are also provided with a curriculum which fosters understanding and appreciation of multi-cultural diversity, fine arts and humanities, mathematics, science and technology, and the personal rewards of learning and living.

We expect our graduates not only to excel within their major areas of study but also to be knowledgeable and participating members of the local, state, national, and global community.

Each department in the College of Arts and Sciences establishes goals specific to its program, which leads to a quality education.
