AMERICANS WITH DISABILITIES ACT AMENDMENTS ACT

The Americans with Disabilities Act Amendments Act (ADAAA) requires the provision of “reasonable accommodations” to those qualified individuals with disabilities by providing equal, non-discriminatory program access in the academic setting.

Students need to take the verifying documentation to the Dean of Students Office, where it will be kept confidential and private to the extent possible. In most cases, verifying documents can be obtained from doctors, licensed psychologists or other professionals licensed to determine the existence, severity of and characteristics of the disability or disabilities. This documentation should include the functional impact of the disability or disabilities. It is the student's responsibility to request documentation from such professionals, and to request a record of accommodations received at any other educational institution. Appropriate documentation for learning disabilities should be provided. If accommodations are needed by the student, the student should provide the information and documentation in a reasonably early manner after admission to allow time for the development and arrangement of appropriate accommodations. In some cases, as when books on tape or sign language interpreters need to be requested, documentation should be provided several weeks prior to the beginning of the semester so accommodation arrangements can be made in a timely manner. A copy of Southwestern Oklahoma State University's documentation guidelines are on the Dean of Students’ website or office, room 214, Gen. Thomas P. Stafford Center, (580) 774-3767.

Please note: Students should be admitted to SWOSU before seeking accommodations from the Dean of Students.

AFFIRMATIVE ACTION COMPLIANCE STATEMENT

Southwestern Oklahoma State University, to the extent required by law, in compliance with Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, Section 402 of the Readjustment Assistance Act of 1974, Americans With Disabilities Act Amendments Act of 1990, the American with Disability Act as Amended of 2009, and other federal laws and regulations does not discriminate on the basis of race, color, national origin, sex, age, religion, disability, gender, sexual orientation, genetic information or status as a veteran in any of its policies, practices, or procedures. This includes, but is not limited to, admissions, employment, financial assistance, housing, and educational service.

HISTORICAL BACKGROUND

Southwestern Oklahoma State University at Weatherford and Sayre are located on Interstate 40. SWOSU is authorized to offer curricula in arts and sciences, business, teacher education, and health sciences. The additional location at Sayre is authorized to provide Associate of Science and Associate of Applied Science degrees in both general and specialized areas of study, as well as career and technical education.

SWOSU was established by an act of the Oklahoma Territorial Legislature in 1901 as the Southwestern Normal School, authorized to offer two years of training for public school teachers. The first classes met in 1903. Initially, four years of preparatory work for pre-college students were offered.

In 1920, the preparatory (academy) courses were eliminated and two additional years of college work in teacher training were added. The State Legislature approved a change of name to Southwestern State Teachers College. The first baccalaureate degrees were awarded in May 1921. Other changes in name and purposes occurred in 1939 when the institution was designated as Southwestern State College of Diversified Occupations, and in 1941, when it became Southwestern Institute of Technology. During this two-year period, the college added a school of pharmacy, degree work in the arts and sciences, and trade schools.

In 1949, the Oklahoma State Legislature changed the name of the institution to Southwestern State College, and in 1974, to Southwestern Oklahoma State University, without altering its purposes and objectives. On July 1, 1987, Sayre Junior College was merged with Southwestern Oklahoma State University as a branch campus designated Southwestern Oklahoma State University at Sayre.

Southwestern Oklahoma State University at Sayre was founded as Sayre Junior College in 1938 under legislative authorization which permitted public high schools to add a 13th and 14th year of study to their curricula. Nineteen public schools took this step. In 1940, the college name was changed to Oklahoma Western Junior College; however, the original name was soon adopted again, and in May 1940 the first degrees were conferred. In 1956, Sayre Junior College moved from facilities occupied jointly with Sayre High School to its present location on old Highway 66. The merger with Southwestern Oklahoma State University marked the end of the Oklahoma community college system, since Sayre Junior College was the only such institution remaining of the original nineteen.

The Sayre campus is located 60 miles west of Weatherford. Its primary service area is western Oklahoma. It offers open admission to high school graduates as well as to students who do not hold a high school diploma.

Southwestern Oklahoma State University offers nine graduate degrees. The Master of Teaching Degree was offered during the period 1953-1969. The Master of Education degree was inaugurated in 1969. Graduate programs leading to the following degrees have been added since 1969: Master of Business Administration, 1977; Master of Music, 1981; the professional doctorate, the Doctor of Pharmacy (PharmD), 1998; the Master of Science in Management, 2007; the Master of Science in Community Counseling, 2009; the Master of Science in Healthcare Informatics and Information Management, 2014; the Specialist in Education (Ed.S.), 2015; and the Master of Science in Nursing in 2016.

Southwestern Oklahoma State University is one of twenty-five institutions in the Oklahoma State System of Higher Education (Oklahoma Constitution, Article XIII-A, Section 1). The Oklahoma State Regents for Higher Education is the legal structure for public education at the collegiate level and is the coordinating board of all state institutions for higher education. Southwestern is one of six state supported regional universities governed by the Regional University System of Oklahoma. Southwestern Oklahoma State University provides access to higher education for all individuals without discrimination on the basis of race, national origin, gender, or disability status.

The mission of Southwestern Oklahoma State University, a member of the Regional University System of Oklahoma, is to provide educational opportunities, research, scholarly and creative activities, and service in a safe, accessible, nurturing learning environment that meets the needs of the state and region and contributes to the educational, economic, and cultural environment. SWOSU provides traditionally strong programs of study leading to a variety of degrees, from associate to doctoral degrees. The University’s areas of study, nationally accredited programs, general education curriculum, service and experiential learning activities, and participation in student activities and organizations provide students with opportunities to obtain skills, knowledge, and cultural appreciation that promote achievement by students and alumni.

SWOSU confirmed its values with its stakeholders.

RESIDENCE LIFE HOUSING INFORMATION AND REGULATIONS

At SWOSU, residential living is a significant part of the university experience, designed to support student success. Our program focuses on academic success, civic and community engagement, social and recreational involvement, healthy relationships, inclusive communities and personal wellness. Additionally, the residential community offers a variety of options for leadership, peer relationships and employment. Whether a student is beginning college or continuing an education, the Residence Life Department encourages everyone to consider the many benefits of campus living.

RESIDENCE HALLS

The SWOSU campus provides on-campus housing to over 1,300 students with six residence halls: Black Kettle Hall, Stewart Hall, Oklahoma Hall, Neff Hall, Mann Hall and Jefferson Hall. Most residents stay in double occupancy rooms during their stay; however, a limited number of private rooms are available depending on availability. Rooms vary in size and design, but all come with two standard twin beds, two desks, two chairs, and closet space with chest of drawers for two. Each building has its own laundry facilities, study areas, lounges with televisions, and recreation rooms outfitted with pool tables, foosball, and other entertainment.

All residence hall contracts are binding for a 9-month academic term (fall and spring semesters). Rates listed are per semester and include a furnished room, all utilities, expanded cable service, and wireless internet. All residents must also select a meal plan for use on campus. Reserving a room can be accomplished by submitting an application with deposit to the Residence Life Office, located at the southwest corner of Neff Hall.

MARY MABRY SAVAGE APARTMENTS

There are 32 University-owned, one-bedroom apartments available to full-time students who are either married or with dependents. All of these units are unfurnished. GUARANTEED TUITION RATE PROGRAM
The Bursar’s Office coordinates, monitors, and records tuition payments including the guaranteed tuition rate program established with the start of the 2008-2009 academic year. This will allow students to guarantee their tuition rate for four years. If a student chooses to participate in the guaranteed tuition rate program, tuition (excluding fees) will be guaranteed for four years at 115% of the current tuition rate at the time of initial enrollment. The program is only available to full-time, undergraduate students entering college for the first time. Students must be enrolled full-time each fall and spring semester at SWOSU for four years to remain in the guaranteed tuition rate program. If a student qualifies for a tuition scholarship, the scholarship will be calculated at the regular or non-guaranteed tuition rate. The student will be responsible for the balance of tuition and fees.

Examples are available in the Bursar’s Office, Admissions and Recruitment Office, and the Registrar’s Office that may assist a student to determine if this program will benefit them. Students choosing to participate in the guaranteed tuition rate program should understand that they could possibly pay more in tuition in some cases (e.g. if at some point within the four-year guaranteed period they stop attending, drop below full-time enrollment, transfer to/from another institution, or if they are later admitted into the College of Pharmacy). Pre-Pharmacy majors who choose to participate in the program will not be able to continue with the guaranteed tuition rate upon admittance into the College of Pharmacy. However, in most cases, students who choose to lock in their tuition rate, continue their undergraduate full-time enrollment and progress satisfactorily to graduate with a degree in four years may pay less in tuition than if they did not lock in their tuition rate. The program is only available to undergraduate students.

If a student chooses to participate in the guaranteed tuition rate program, they must return the completed form prior to enrollment. This form must be signed and documented in the Registrar’s Office prior to enrolling or attending one of the designated New Student Orientation sessions. Students may return this form as they register on the morning of the New Student Orientation session they choose to attend.
SERVICES, ACTIVITIES & ORGANIZATIONS

CAMPUS POLICE
SWOSU maintains a Campus Police pursuant to authority granted by Statutory Law of the State of Oklahoma (title 74, 360.17). Police officers of the Campus Police Department are bona fide peace officers, bonded and commissioned by the Regional University System of Oklahoma. The Campus Police has the responsibility of enforcing state law and all regulations of the University.

CENTER FOR EXCELLENCE IN TEACHING AND LEARNING
The Center for Excellence in Teaching and Learning assists Southwestern Oklahoma State University, a student-centered university, by providing resources and professional growth opportunities for faculty on enhancing instructional practices, integrating technology in the classroom, advancing online learning, and promoting strategies which increase student learning and success.

SWOSU has several different options for distance learning.

- **Online** courses are delivered over the Internet and provide access to the teacher and to classmates wherever the student is able to connect to the Internet. At SWOSU, online course work uses Canvas, a learning management system that will allow students to have course materials delivered to them with the ability to connect with faculty and students in ongoing discussions each week.

- **Interactive Television (ITV)** is another delivery system for course work at Southwestern Oklahoma State University. ITV courses are conducted via two-way television, and students are able to interact with their teachers and fellow students in a way that most closely replicates the traditional classroom experience.

- **Webinar** courses are similar to ITV courses in that students meet at a specific time each week, but these courses differ in that the lectures and class interactions are delivered through the student’s laptop or desktop computer. Seeing and hearing the instructor and other students is done computer to computer.

- **Blended** courses are ones where a combination of delivery methods is employed such as ITV and Online together with in-person attendance.

COUNSELING SERVICES
Personal counseling is offered at Counseling Services. Confidential counseling is provided by licensed professional counselors and is available to SWOSU students at no charge. Students are often seen for situations such as depression, anxiety, relationship problems, grief, eating disorders, self-esteem, anger management, PTSD, substance abuse, and/or assault. Referrals are provided for SWOSU students as needed. Counseling Services is located in the Wellness Center and is open Monday through Friday, 8:00 a.m. - 12:00 p.m. and 1:00 p.m. - 5:00 p.m.

DEAN OF STUDENTS AND DIRECTOR OF STUDENT ACTIVITIES

  The Admissions and Recruitment Office coordinates public relations with high schools in the area served by the University. Representatives visit schools, attend career day programs, and provide admission counseling and campus tours for all interested students.

Whether you are a recent high school graduate, a transfer student or a returning adult learner, the Admissions and Recruitment Office offers tours of the campus and residence halls and answers inquiries about SWOSU.

- **Career Services**

  Southwestern Oklahoma State University provides career services for all students and alumni. Career Services also provides assistance to students in selecting a major, securing internships, summer work opportunities and full-time employment upon graduation.

  Students can use Career Services at any point during or after their college career. Some of the services offered include resume review/critique, mock interviews, on-campus interviews, resume referrals, job listings, company research material and several annual career fairs and events.

  Students and alumni can also take advantage of the Bulldog Job Board to search for employment opportunities. Visit Career Services at [www.swosu.edu/administration/careers](http://www.swosu.edu/administration/careers) for complete details or visit their office located in STF-209.

  All freshmen are required to participate in New Student Orientation (NSO). NSO includes enrollment sessions prior to the beginning of the fall semester in which students receive academic advisement and enroll in fall coursework; Mass Orientation, a SWOSU tradition when students meet as an entire class; and a freshman orientation course. More than 40 student Orientation Leaders (OLs) assist with all aspects of the program to help new students make a smooth transition into college life at SWOSU. Students are exempt from the NSO enrollment process if they have been out of high school two or more years.

  For more information, contact the New Student Orientation Office at [www.swosu.edu/administration/careers](http://www.swosu.edu/administration/careers) or e-mail orientation@swosu.edu.

Health Services is located in the Wellness Center and is open Monday through Friday, 8:00 a.m. - 12:00 p.m. and 1:00 p.m. - 5:00 p.m. For an appointment or for walk-in hours, please call Health Services.

HUMAN RESOURCES
When students have secured a job through the Bulldog Job Board, they will visit the Human Resources (HR) Office to complete new hire paperwork. HR must meet with the student on or before their first day of work to verify employment eligibility using the E-Verify system. In addition, the student will complete other required documents including, but not limited to, a loyalty oath, W-4 and direct deposit. A variety of student positions are available on the Bulldog Job Board. Student employees are scheduled based on the needs of the on-campus department. The average hours worked per week is between 12 and 15. Students cannot work more than 20 hours per week. Student workers may exceed the 20 hour limit between semesters and during the summer months.

HR provides complete information about a number of issues which affect student employees. Individuals may refer to the bulletin board outside the Human Resources Office and in the Staff Handbook on the website for information about the extent of these issues, the risks involved, the legal standards adopted, and the offices and/or agencies which may offer assistance.

Students can find additional assistance from the HR Office with any employment related concerns. (The Dean of Students or any Executive Officers are also available if needed.)

ISA recruits international students, processes applications for admission from students requiring a student visa, and provides to these students needed immigration documents. ISA continually provides advice and assistance to international students as needed throughout their association with SWOSU. ISA serves as the liaison between SWOSU and the United States Citizenship and Immigration Services (USCIS) Office and the Department of Homeland Security (DHS) in matters concerning student visas.

The Step Ahead program provides area high school students with the opportunity to earn college credit while in high school. Students may enroll in summer, fall, or spring semesters if they meet criteria approved by the State Regents for Higher Education and their high school.

STUDENT FINANCIAL SERVICES

The Student Financial Services Office coordinates, monitors and records scholarship data from all sources. The office also evaluates the results of the student's application for federal financial assistance, establishes eligibility to participate in the various loan, grant, and work study programs, and awards to students from each source any aid for which they qualify in an amount not to exceed each student's demonstrated need and cost of attendance. Questions relating to the application process for scholarships or federal financial aid should be directed to the Student Financial Services Director at SWOSU.

STUDENT ORGANIZATIONS

All students are encouraged to become active in one or more of our campus organizations which are listed at the following website:

SWOSU LIBRARIES

SWOSU Libraries serves a vital role in research, which occupies a significant place in the life of the university.

The Al Harris Library, named in honor of a former University president, is a major resource to the University. It is centrally located on the Weatherford campus. It is open seven days a week (84.5 hours a week). The Oscar H. McMahan Library, named in honor of the first president of the Sayre Campus, is open weekdays (56 hours a week). Open book stacks, loans of library materials, and full access to digital books, periodicals, audiobooks, and streaming videos, both on and off campus, make library resources easily accessible to students and faculty. Research assistance is provided by faculty librarians on both campuses, both in person and virtually.

The SWOSU Libraries has over 304,000 bound volumes, over 460,000 electronic books, and subscribes to approximately 128,000 print and electronic periodicals. The collection is expanded by 1,200,000 microforms, over 12,900,000 media materials, and access to 100 online and full text databases. The Library is a partial U. S. Government and Oklahoma state document depository.

Interlibrary loan and document delivery service and library instruction sessions on research skills and information literacy are offered in undergraduate, graduate courses and online instruction.

TESTING SERVICES

The Assessment Center serves as a clearinghouse for students wishing to take admissions tests, course placement exams, various state and national tests and advanced standing exams. The advanced standing plan at Southwestern was established to give students an opportunity to begin college work on the level commensurate with their demonstrated achievement. With certain limitations, all such achievement, once certified
to be at the college level by this institution, receives appropriate academic credit.

UPWARD BOUND

The Upward Bound Program prepares low-income, first generation students within target area high schools for post-secondary education. Services provided to qualifying participants include a six-week summer residential program, tutoring, ACT test preparation classes, academic and career counseling, cultural and educational enrichment field trips, community service activities, college campus visits, exposure to professional careers and mentors, and assistance with financial aid, scholarship and college admission applications.

VETERANS AFFAIRS

All students attending the University and using or interested in U.S. Department of Veterans Affairs (VA) education benefits (GI Bill®) may obtain application and benefit information in the Registrar's Office. For additional assistance, you can visit www.gibill.va.gov or contact the GI Bill Helpline at 888-GIBILL-1 (888-442-4551). An application for benefits may be submitted at www.vets.gov. Students should contact the Registrar’s Office on the campus they are attending for assistance. The Registrar’s Office on the main campus is located in the John Hays Administration Building (HAB) 108 and can be reached by phone at 580-774-3008 or by email at veteransaffairs@swosu.edu. The Registrar’s Office on the Sayre campus is located in the Administration Building (SAM) 102 and can be reached by phone at 580-928-5533 extension 2101.

Veterans Active Duty/Leave of Absence: pursuant to Title 70, O.S., Section 3248 and OSRHE policy (3.12.3.B), State System institutions shall grant a leave of absence, which shall not exceed a cumulative five (5) years, to a student who is a member of the active uniformed military services of the United States and called to active duty. The student shall be eligible to:

1. Withdraw from any or all courses for the period of active duty service without penalty to admission status or GPA and without loss of institutional financial aid (4.18.4.1); or
2. Receive an “I” for any or all courses for the period of active duty status irrespective of the student’s grade at the time the “I” is awarded; provided, however, that the student has completed a minimum of fifty percent (50%) of all coursework prior to being called to active duty and the student completes all courses upon return from active duty. The student’s admission status and GPA shall not be penalized and the student shall not experience loss of institutional financial aid.

The student has the choice of “I” or “W” (student should communicate with the instructors if he/she wants an “I”); however, they must provide a copy of their active duty orders to the Registrar to initiate the process. The student will not receive a refund for courses in which he/she chooses an “I”. If he/she chooses a “W”, the Bursar will refund tuition and fees. If the student received federal aid and is withdrawn with a “W”, the Student Financial Aid Office must do a “return to title IV calculation”. If aid needs to be returned to the Federal government, the Bursar and Financial Aid Director will work together to reconcile the student’s bill. If the student received an Oklahoma National Guard tuition waiver, the Bursar will only refund fees to the student and any tuition charges paid over 18 credit hours. If the “W” brings the student’s completion rate below 67%, he/she will need to complete a Financial Aid Satisfactory Academic Progress Appeal to be eligible to receive federal financial aid. The Financial Aid Appeals Committee will review the student as a special case.

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at https://www.benefits.va.gov/gibill.

**STUDENT FINANCIAL SERVICES**

Financial aid at Southwestern Oklahoma State University includes employment, loans, scholarships, grants, awards, and other forms of financial assistance. Our institution distributes over $40,000,000 annually in federal and state financial aid including Federal Pell Grants, Federal SEOG grants, Oklahoma Tuition Aid Grants, Oklahoma Promise, Federal Work-Study employment, Federal Stafford Loans, and Federal Parent PLUS Loans. Information pertaining to these types of aid may be obtained from the Office of Student Financial Services in the Gen. Thomas P. Stafford Center, Room 224, or by calling (580) 774-3786. Students may apply for student employment in the Human Resources Office of the University. The University offers work-study (federally assisted) and regular student employment.

Financing a college education today can be challenging, but does not have to be overwhelming. Our objective is to work with students and create a financial aid package that will help them attend Southwestern Oklahoma State University. Since educating a student is a family responsibility, the financial service resources in this catalog are not designed to replace family assistance, but to supplement it. In addition to such support, over 85 percent of Southwestern Oklahoma State University students receive some kind of financial assistance.

Financial assistance consists of scholarships, grants, loans, and work-study opportunities. Scholarships are generally merit-based awards. They are awarded to a student on the basis of skill or accomplishment. Scholarships are generally not cash awards, but instead waivers applied toward tuition and room charges incurred at the university. Other financial service programs described are awarded to a student on the basis of financial need, taking into consideration the expected family contribution (EFC) and the cost of attending school. Grants, loans, and work-study programs fall into this category.

Students who are convicted of possession or sale of illegal drugs while receiving federal financial assistance will lose eligibility for continued assistance.

**HOW TO APPLY FOR FINANCIAL ASSISTANCE**

Students should complete a Free Application for Federal Student Aid (FAFSA), which is available online at [http://www.fafsa.ed.gov](http://www.fafsa.ed.gov).

Once the federal processor has completed calculations, SWOSU will automatically receive the student’s data if we are listed as a school recipient. The Office of Student Financial Services will notify the student of his/her eligibility. It is important that the student respond in a timely manner to prevent any delay in completion of the financial aid process.

Financial aid is not automatically renewed each year. Typically, a student is awarded financial aid for the fall/spring semesters. **A student needs to reapply after October 1 for financial aid consideration for the following fall/spring terms.**

**FINANCIAL AID APPLICATION RECOMMENDED COMPLETION DATES**

Many financial aid programs at Southwestern Oklahoma State University are administered on a first-come, first-served basis. For best consideration, students should strive to complete the appropriate paperwork by the following dates:

- Foundation Scholarship Application ................... March 1
- Freshman Scholarship for students admitted by: March 1
- Free Application for Federal Student Aid - Fall/Spring................................. March 1

**SATISFACTORY ACADEMIC PROGRESS**

Federal law requires that all students who receive financial aid must maintain the requirements of the Satisfactory Academic Progress (SAP) policy of the University to continue receiving financial aid from the following programs: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Federal Work Study, Oklahoma Tuition Aid Grant, Federal Subsidized Stafford Loan, Federal Unsubsidized Stafford Loan, Federal Parent PLUS Loan. State law now also requires that students meet the Federal SAP policy to receive OHLAP or Oklahoma Promise.

For a copy of the Southwestern Oklahoma State University Satisfactory Academic Progress (SAP) policy, contact the Office of Student Financial Services or see our web page at [www.swosu.edu/sfs/](http://www.swosu.edu/sfs/).

**RETURN OF TITLE IV FUNDS**

Federal law requires that students who receive financial aid and completely withdraw before the 60 percent point of a semester will be subject to pay back some of the financial aid that they received. Students who need to completely withdraw should consult with the Office of Student Financial Services before doing so to see what implications withdrawal will have.
FINANCIAL AID AND RESOURCES

Need Based Financial Aid
A student must complete a Free Application for Federal Student Aid (FAFSA) in order to apply for need-based financial aid. Household size, the number of children in college, and family income are important variables in determining eligibility for need-based financial aid. All of the programs listed on this page require a FAFSA be completed.

Federal Pell Grant
Over $6,000,000 per year is given to SWOSU students from the Federal Pell Grant Program. It is the largest federal grant program. Federal Pell Grants are available to help undergraduate students pay for their education. For Federal Pell Grant Programs, an undergraduate is one who has not earned a bachelor’s degree. The amount a student can receive depends on whether the student is full-time, half-time, or less than half-time, and the student’s Expected Family Contribution (EFC) number, which is on the Student Aid Report (SAR). Students must reapply each academic year to have their eligibility assessed and be making satisfactory academic progress. Typically, other than in the case of a complete withdrawal by the student, Federal Pell Grants do not have to be repaid.

Federal Supplemental Educational Opportunity Grant (SEOG)
The Federal Supplemental Educational Opportunity Grant (SEOG) is a federal grant program limited to undergraduate students who are enrolled at least half-time with exceptional financial need. It must be awarded to Federal Pell Grant recipients who have the lowest Expected Family Contribution (EFC). The amount a student can receive depends on the student need, the availability of Federal Supplemental Educational Opportunity Grant funds, and the amount of other financial assistance the student is receiving. Typically, Federal Supplemental Educational Opportunity Grants do not have to be repaid.

Federal Work-Study Employment
Funded by the federal government, this is a program that provides jobs for students who are eligible for need-based financial assistance. The amount of the offer depends on the student’s need, the availability of funds for the program and the amount of assistance the student receives from other programs. Students generally work 10 to 20 hours per week during each semester. The student must be enrolled at least half-time to be eligible for this program. In addition to Federal Work-Study jobs on the campus, there are also a limited number of opportunities for students to participate in a reading and math tutoring program off campus. Work-study job assignments are not guaranteed by the University.

Federal Stafford Loans

Subsidized
Subsidized Federal Stafford Loans are low-interest, need-based loans made to the student by the U.S. Department of Education to help pay for the student’s education. A student must be enrolled at least half-time to be eligible to receive a loan and must complete an entrance interview before receiving student loan funds. Loan amounts vary depending on the student’s grade level and other financial aid the student may be receiving. Students do not have to begin repayment on the loan for six months after they have either graduated or dropped below half-time enrollment.

Unsubsidized
Unsubsidized Federal Stafford loans are low-interest, non-need based loans made to the student by the U.S. Department of Education, to help pay for the student’s education. A student must be enrolled at least half-time to be eligible to receive a loan and must complete an entrance interview before receiving student loan funds. Loan amounts vary depending on the student’s grade level. The student is responsible for paying the interest on this loan while in school. Repayment of the principal balance begins six months after the student either graduates or drops below half-time enrollment.

Oklahoma Tuition Aid Grant (OTAG)
The Oklahoma State Regents for Higher Education sponsor the Oklahoma Tuition Aid Grant Program. This grant program is based on a student’s financial need. The student must be a resident of the state of Oklahoma and be enrolled at least half-time to be eligible. The asking student uses the Free Application for Federal Student Aid to apply for this grant, and traditionally, the application data must be received by the federal government by December 1 to be considered for available funds.

Oklahoma Higher Learning Access Program (OHLAP)
The Oklahoma State Regents for Higher Education sponsor the OHLAP Program. Students sign up for the program while they are in 8th, 9th, or 10th grade. Students whose parents earn $55,000 or less at the time they sign up and less than $100,000 at the time they begin college are eligible to have tuition paid while enrolled at SWOSU.

Applicants admitted in the alternative category must present evidence that they have a reasonable chance for academic success. For purposes of calculating workload, one high school credit course shall be equivalent to three semester credit hours of college work. The collegiate portion of the student’s workload must be taken on the SWOSU campus or through interactive video with regular faculty members of the institution.

- A student who is otherwise eligible under this policy may enroll in a maximum of nine semester credit hours during a summer session or term at a college or university of the state system following the end of the junior year of high school without the necessity of being concurrently enrolled in high school classes during the summer term. The completion of the high school curricular requirements set forth above shall not be required of concurrently enrolled high school students.

- Following high school graduation, such a student may continue enrollment at the institution to which the student has been admitted or may transfer to another institution in the state system, provided that during the provisional enrollment period the student has achieved a college grade-point average of 2.0 or above on a 4.0 scale and meets the entrance requirements of the receiving institution, including the high school curricular requirements.

**SPECIAL ADMISSION FOR NON-DEGREE SEEKING STUDENTS**

OKLAHOMA TAXPAYER AND CITIZEN PROTECTION ACT OF 2007
(HB 1804 IMMIGRATION LAW)

HB 1804 provides that an individual who is not lawfully present in the United States shall not be eligible on the basis of residence within Oklahoma for any postsecondary education benefit, including but not limited to, scholarships or financial aid, or for resident tuition, except as provided under new law set forth in other provisions of HB 1804 and under the revised State Regents’ policy (3.18.9) which conforms with that new law. However, HB 1804 also provides that this provision regarding eligibility for resident tuition and state financial aid shall not apply to an undocumented immigrant student enrolled in a degree program during the 2006-07 school year or any prior school year who received a resident tuition benefit pursuant to the pre-HB 1804 statute and pre-HB 1804 State Regents policy regarding undocumented immigrant students. In addition, SB 820 of the 2007 legislative session creates unique treatment of undocumented immigrant students participating in Oklahoma’s Promise.

The new legislation identifies three categories of undocumented immigrant students:

- **Category I** – students enrolled in a degree program during the 2006-07 year or any prior school year who received a resident tuition benefit pursuant to the pre-HB 1804 statute and pre-HB 1804 State Regents’ policy. These students are “grandfathered” and remain eligible for resident tuition and state financial aid under the pre-HB 1804 law and pre-HB1804 policy.

- **Category II** – students enrolling in a postsecondary education institution in 2007-08 and thereafter. These students are subject to the new restrictions under HB 1804 and the State Regents’ policy that became effective November 1, 2007.

- **Oklahoma’s Promise** – While students participating in Oklahoma’s Promise also fall into either Category I or Category II, SB 820 provides unique treatment of these students with respect to their eligibility to receive the Oklahoma’s Promise award.

GENERAL ACADEMIC INFORMATION

THE UNDERGRADUATE CURRICULA
The undergraduate curricula offered at Southwestern Oklahoma State University are organized into two parts – a lower division (1000-2000 level courses) and an upper division (3000-4000 level courses). The lower-division courses are foundational in nature and are generally completed during the freshman and sophomore years. The upper-division courses generally completed during the junior and senior years are professional studies. (Some 5000-level advanced professional courses are included in the Pharmacy curriculum.)

Most undergraduate degree programs are designed to provide the student with the opportunity to elect both upper- and lower-division courses for exploratory purposes. Students are provided faculty advisors to assist in the development of their programs of study so that there will be a proper balance between required and elected courses.

The University Catalog and the Graduate Catalog are the sources of information for academic rules, regulations, procedures, and programs of study.

ACADEMIC FORGIVENESS PROVISIONS
The Oklahoma State Regents for Higher Education approved grading policy for state colleges and universities includes three academic forgiveness provisions. The repeated courses policy, the academic reprieve policy, and the academic renewal policy may help a student overcome low academic standing by establishing a retention/graduation grade point average in addition to the cumulative grade point average. Although the academic transcript will continue to be a full and accurate reflection of the student’s academic performance, the academic forgiveness provision will be reflected in the calculation of the retention/graduation grade-point average. Students who believe the academic forgiveness provisions may assist them in meeting academic goals may contact the Office of the Registrar for application forms and additional information.

AMERICANS WITH DISABILITIES ACT AMENDMENTS ACT
The Americans with Disabilities Act Amendments Act (ADAAA) requires the provision of “reasonable accommodations” to those qualified individuals with disabilities by providing equal, non-discriminatory program access in the academic setting.

Students need to take the verifying documentation to the Dean of Students’ office where it will be kept confidential and private. In most cases, verifying documents can be obtained from doctors, licensed psychologists or other professionals licensed to determine the existence, severity of, and characteristics of the disability or disabilities. This documentation should include the functional impact of the disability. It is the student’s responsibility to request documentation from such professionals and to request a record of accommodations received at any other educational institution. If accommodations are needed by the student, the student should provide the information and documentation in a reasonably early manner after admission to allow time for the development and arrangement of appropriate accommodations. In some cases, as when books on tape need to be requested, documentation should be provided several weeks prior to the beginning of each semester so accommodation arrangements can be made in a timely manner. A copy of Southwestern Oklahoma State University’s documentation guidelines are on the Dean of Students’ website or office, room 214, General Thomas P. Stafford Center (580) 774-3767. Please note: Students should be admitted to SWOSU before seeking accommodations from the Dean of Students.

ADVANCED STANDING
In most cases, advanced standing examinations are administered through the CLEP program. Any person interested in participating in this program should contact the Assessment Center. Advanced standing credit toward a degree is limited to 31 hours within each of the upper- and lower-division levels.

ADVICEMENT
Students are assigned a faculty advisor to assist with their academic planning. First-time entering freshmen are assigned advisors while participating in a New Student Orientation enrollment session. Other students are assigned faculty advisors during the admissions process. Information regarding the advisement process is available in the Dean of Students’ office.

ARTICULATION POLICY
Southwestern Oklahoma State University cooperates fully with the requirements of the Oklahoma State Regents for Higher Education Articulation Policy for transfer of students among institutions in the Oklahoma State System of Higher Education. A student who has been awarded the Associate of Arts or Associate of Science degree from an Oklahoma accredited college or junior college will have completed general education requirements if the degree program includes the minimum course requirements called for in the articulation policy and if Oklahoma State Regents’ requirements for the baccalaureate degree are met. (Note exceptions in teacher education and certain professional programs.)

Students with the Associate of Arts or Associate of Science degree from a regionally accredited out-of-state college will be given benefit of the Oklahoma articulation policy to the extent that their degree contains the minimum requirements of the policy.

ATTENDANCE
Students are expected to attend class. Attendance policies are set in each class by the instructor. The instructor will provide students with a written statement of these policies. In emergencies, notification of instructors of such absences may be made through the Dean of Students’ office.

An instructor may drop a student from class for excessive absences.

CLASSIFICATION
Freshman: A student with 0 to 29 semester hours of college credit.
Sophomore: A student with 30 to 59 semester hours.
Junior: A student with 60 to 89 semester hours.
Senior: A student with 90 or more semester hours.
Post Graduate: A student with a bachelor’s degree who is not currently pursuing advanced degrees.
CREDITS

All credits are earned in semester hours. Semester hour credits are calculated as follows:

- One semester hour is awarded for a lecture class meeting one hour (50 minutes) per week and a minimum of two additional hours of work outside of class time for 16 weeks exclusive of enrollment, orientation, and vacation time. Lecture classes for two semester hours of credit will normally meet two days per week. Lecture classes for three semester hours of credit will normally meet three days per week, and so forth.
- One semester hour of credit will normally be awarded for a laboratory meeting a minimum of two hours per week for 16 weeks. Laboratories offered for multiple hours of credit will meet a minimum of two times the number of hours per week for 16 weeks as the number of semester hours credit to be awarded.
- Instruction offered through a combination of classes and laboratory meetings will normally observe the standards set forth in (1) and (2) above.

DEGREE REQUIREMENTS

The general education courses, two majors, a major-minor, or one major and one minor; and sufficient electives to make a total of 120 semester hours comprise the curriculum. The 120 semester hours of coursework does not include any physical education activities. (Exceptions for professional programs, e.g., pharmacy and teacher education, are noted in the program section of the catalog.) To complete a degree, students must meet the following general requirements:

- A minimum of 120 semester hours of college credit with at least twice as many grade points as total hours of acceptable work (2.00 average on a 4.00 scale). Some degree programs require more than 120 semester hours of college credit to meet degree requirements. In cases involving work done at more than one college, the grade average must be attained in the work done at Southwestern Oklahoma State University, as well as in the total combined college work. (These are minimum academic grade standards. Some degree programs and professional programs require a higher grade-point average.)
- At least 40 semester hours of work must be at the senior college level (3000 and 4000 courses). A minimum of eight semester hours of coursework at the 3000- or 4000-level must be completed at Southwestern Oklahoma State University within the department of the major.
- A minimum of 30 semester hours of resident credit applied toward the bachelor’s degree shall be taken at the awarding institution, exclusive of correspondence work. In general, the residence work must include at least 15 of the final 30 credit hours that apply toward the degree or at least 50 percent of the hours required in the major field.
- A maximum of 60 semester credit hours taken at an accredited two-year institution, including the SWOSU at Sayre campus, may be applied toward the completion of a bachelor’s degree at SWOSU.

- Ordinarily, a student is expected to meet the degree provisions of the catalog course requirements in effect when the student enters the University. Revised degree requirements, unless specifically provided otherwise, are applicable only to those students entering the University after the revisions are adopted. However, when a long period of time has elapsed since a student began a program, the student may be required to meet current requirements.
- When the same course is required in the major and minor, another course of the same level or higher must be taken in order for the total hours to equal the graduation requirements.
- A student may receive a second bachelor’s degree (differing from the first) upon the completion of a minimum of 150 semester hours, provided all the requirements for the degree are met.

After meeting admission requirements to SWOSU, if a student wishes to enter a pre-professional program that does not require a degree, or if a student does not expect to graduate, the student may enroll as a special student and take the courses necessary for the specialized training. Such programs include commercial art and two-, three-, and four-year pre-professional curricula for students preparing for law, medicine, dentistry, and engineering. In general, work completed in these special programs will apply toward a degree. Students should work closely with the institutions to which they will transfer to insure transferability of credit.

ENGLISH PROFICIENCY PROGRAM

A quality education includes literacy in writing. A degree from Southwestern Oklahoma State University carries a certification that each baccalaureate graduate is proficient in the use of written English.

Every student seeking a baccalaureate degree must satisfactorily demonstrate proficiency in one of two ways: by earning a grade of “C” or higher in ENGL 1213 Freshman Composition II or by passing the English Proficiency Exam.

Students who earn a “D” in ENGL 1213 have passed the class but have not demonstrated proficiency; they may choose to demonstrate proficiency either by passing the examination or by retaking the course and earning a grade of “C” or higher.

The English Proficiency Exam is administered at the Assessment Center and evaluated by two or more English faculty members. Any student who has completed ENGL 1213 with a grade of “D” may request an appointment to take the exam at the Assessment Center.

ENROLLMENT

Southwestern Oklahoma State University uses an online enrollment system, making pre-enrollment both quick and efficient. Complete enrollment information can be found in the current Class Schedule. Schedules are available on the SWOSU website at www.swosu.edu. (Beginning freshman with no college hours earned are required to attend a New Student Orientation session in order to enroll for the fall semester. Students who have been out of high school two or more years do not have to attend an NSO session. Contact the Office of the Registrar for enrollment procedures and advisor assignment.) Online enrollment is available to eligible students on assigned enrollment dates through Campus Connect. Online enrollment is only available to students who have completed at least 60 credit hours and the prior semester at SWOSU and have no holds on their account.
EXAMINATIONS

Examinations given during the semester are scheduled by the instructors. Final examinations, except in the College of Pharmacy, follow the University plan printed in the class schedules.

Students may drop classes up to five days prior to the beginning of finals. During the regular semesters, the three class days prior to the beginning of finals are considered "dead days" in that no graded assignments or activities are to be scheduled. Extracurricular events (other than unscheduled league play-off events) and required field trips are prohibited. Attendance policies will remain in force.

Examinations for single classes must follow the schedule. Multi-section examinations must be approved by the Vice President for Student Affairs one week before the first day of final examinations. In case of conflicts between single sections and multi-sections, the single section takes precedence for the student’s time.

If a student is unable to meet the regular examination schedule (no early final examinations), an “I” grade shall be reported.

FULL-TIME STUDENTS

Standard Term: Any course(s) that meets a full 16 weeks during the fall and spring semesters and 8 weeks for the summer. All full-time students are enrolled in a minimum of twelve (12) hours per semester and six (6) hours during a summer term. Three quarter-time students are enrolled in a minimum of nine (9) hours per semester and four (4) hours during a summer term. Half time students are enrolled in a minimum of six (6) hours per semester and three (3) hours during a summer term.

Non-Standard Term: Any term that does not meet the 16 week requirement stated above. All full-time students are enrolled in a minimum of six (6) hours per eight (8) week classes and three (3) hours per four (4) week term. Three quarter-time students are enrolled in a minimum of four (4) hours per eight (8) week classes and two (2) hours per 4 week term. Half time students are enrolled in a minimum of three (3) hours per eight (8) week classes and one point five (1.5) hours per 4 week term.

Enrollments that exceed nineteen (19) hours during the fall and spring semesters and nine (9) hours during the summer term are exceptions and must be approved by the Provost or Graduate Dean.

GRADE REPORTS

Final grades are available online through Campus Connect. Campus Connect allows student access to unofficial transcripts, grades, billing information, financial aid information, personal demographic information, and course availability information.

GRADERS

Grade schedule: The quality of work done in classes is designated by the following schedule of grades:

- A: Excellent
- B: Good
- C: Average
- D: Lowest Passing Grade
- F: Failure
- I: Incomplete
- W: Withdrawal
- AW: Administrative Withdrawal
- S: Satisfactory
- P: Pass
- U: Failure

Grade Points: Students earn grade points on this schedule:

- A: 4 points per semester hour
- B: 3 points per semester hour
- C: 2 points per semester hour
- D: 1 point per semester hour
- F: 0 points per semester hour
- I: 0 points per semester hour
- W: 0 points per semester hour

If a course is repeated, both grades are used in computing the student’s grade point average. A grade of “S”, “P”, “I”, “U”, “NP”, or “W” has no effect on the average.

Incomplete: A grade of “I” will be given to students who, because of illness or other unavoidable circumstances, cannot complete a course by the end of a semester. “I” grades not changed by the instructor to a credit-bearing grade or an “F” will remain a permanent “I” and not contribute to the GPA.

Withdrawal: Students may withdraw within the first (eleven) 11 weeks of class work during a regular semester or within the first six weeks of class work during the summer term and receive a grade of “W”. Instructors have the right to give a “W” as a final grade.

Students may withdraw with instructor permission up to five (5) days prior to the beginning of finals and receive a “W” for courses in which they are doing passing work and an “F” for courses in which they are failing.

Official withdrawals are processed by the Registrar’s Office. Students who leave school without officially withdrawing may receive the grade of “F” for courses in which they are enrolled.

Students may audit courses with instructor permission. They will be charged the same amount for tuition and fees as any other student enrolled in the same course for credit but will not be graded and will not earn credit for audited courses. Students interested in auditing courses should see the Registrar’s Office for assistance. Senior citizens 65 years of age or older may audit courses at no cost. After enrollment, they should contact the Bursar’s Office for assistance.

LAST DAY OF ACADEMIC ACTIVITY AND TITLE IV STUDENT AID

For students who do not earn any college credit during a semester in which they are enrolled, SWOSU is required to document the last day of academic activity and in some cases, pay back federal Title IV financial aid. To help satisfy this requirement, faculty who submit grades of W, WF, I, U, and F are forced by the Campus Connect system to enter the last day of academic activity.

The last day of academic activity is that date known by the teaching faculty on which the student ceased to make progress toward completion of the course requirements. It is strongly suggested that faculty regularly take attendance in classes to improve the accuracy of this process.

Examples of academic activity include, but are not limited to:

- Physically attending a class where there is an opportunity for direct interaction between instructor and students;
Submit an academic assignment;
• Taking an exam, an interactive tutorial, or computer assisted instruction;
• Attending a study group that is assigned by the institution;
• Participating in an online discussion about academic matters; and
• Initiating contact with a faculty member to ask a question about the academic subject studied in the course.

Items that do not prove academic activity are:
• Living in institutional housing;
• Participating in the institutions meal plan;
• Logging into an online class without active participation; or
• Participating in academic counseling or advisement.

GRADUATION INFORMATION

Degrees are conferred at spring convocation. Those completing degree requirements at the end of a fall semester may participate in either the preceding or following spring convocation. Those completing degree requirements at the end of a summer semester may participate in the preceding spring convocation.

December graduates may walk through the graduation ceremony early. For example, if a student is scheduled to graduate in December 2019, s/he may (1) walk through the ceremony in May 2019 (before graduating) or (2) walk through the ceremony in May 2020 (after graduating).

Students are responsible for ensuring that all requirements for graduation are met. They are encouraged to submit a Degree Check Request to the Registrar’s Office prior to enrolling for their final semester in addition to carefully planning their enrollment programs based on catalog and degree check requirements. Questions concerning degree requirements should be clarified with the advisor or the Registrar’s Office.

Southwestern Oklahoma State University grants Undergraduate degrees “with honors” as follows:

- Summa Cum Laude: 3.90
- Magna Cum Laude: 3.75
- Cum Laude: 3.50

Honors standing is determined by calculating the grade point average (GPA) for all credit hours attempted. The cumulative GPA, not the retention/graduation GPA, is used in the calculation.

Graduation Applications are available on the SWOSU website and should be submitted when students enroll for their final semester. Graduate students must also submit an Application for Admission to Candidacy to the Graduate Office. More information about Commencement including the Graduation Application is available here: http://www.swosu.edu/commencement/index.aspx.

Degrees are recorded on the student’s permanent academic record known as the transcript. Transcripts are available approximately one week after the close of each semester or term.

HONOR ROLLS

The undergraduate student’s semester record must have no grade of “I”, “U”, “F”, or “D” to be considered for the honor roll. Types and qualifications for honor rolls are as follows:

President’s Honor Roll: Undergraduate students who complete 12 or more hours during a semester and earn a 4.00 grade point average qualify for this honor roll.

Dean’s Honor Roll: Undergraduate students who complete 12 or more hours during a semester and earn a 3.50 or higher grade point average qualify for this honor roll.

LOAD/OVERLOAD

Students who plan to graduate in a 120-hour degree program in four years should enroll in an academic course load of at least 15 credit hours each fall and spring semester. “Fifteen to Finish”.

Undergraduate: With approval of the advisor, a student may take a maximum of 19 hours during a regular semester and 9 hours during a summer term. With the approval of both the advisor and the Vice President for Academic Affairs, a student may take a maximum of 24 hours during a regular semester and 12 hours during a summer term.

Graduate: A full-time student may enroll in 16 hours during a regular semester and nine hours during a summer term. The Dean of the Graduate School must approve an overload. An overload is defined as 17 or more hours during a regular semester and 10 or more during a summer term. A minimum graduate load during a regular semester is nine hours for full-time, seven hours for ¾ time, and five hours for ½ time. The corresponding standard for a summer term is four, three, and two respectively. The minimum-load definition also applies to one attending under Veteran Administration assistance. Students enrolled simultaneously in two or more institutions are bound by the load maximum stated above.

PREREQUISITES

The section of the catalog in which courses are listed and described includes a statement of prerequisites for courses requiring preliminary study.

RETENTION STANDARDS

The following standards relating to retention of students pursuing study in undergraduate programs will apply at Southwestern Oklahoma State University. For continued good academic standing, a student must have earned a retention/graduation grade point average as indicated below:

- One to 30 semester hours attempted..............1.70
- 31 or more semester hours attempted............2.00

NOTE: Students who have attempted less than 31 semester hours will be placed on academic notice if the retention/graduation grade point is between 1.70 and 1.99.

Any student not maintaining satisfactory academic progress will be placed on probation for one semester. At the end of the semester, the student must have earned the minimum grade point average listed above in order to continue. Students not maintaining academic progress during their probationary semester will be suspended and not allowed to continue enrollment for one regular semester (Fall/Spring). Students returning from Academic Suspension may re-enroll on Academic Probation. Students suspended a second time will not be permitted to re-enroll until they attend another institution and raise their retention/graduation grade point average to 2.00 or higher.

Exception 1. A student who achieved a grade point average of 2.00 or above in the last semester in which the student was enrolled will be considered to be making satisfactory progress, regardless of the
retention/graduation grade point average. (Under these circumstances, a student will remain on probation until a 2.00 retention/graduation grade point average is achieved.)

**Exception 2.** A senior student who has failed to meet the retention/graduation grade point average (2.00) required for graduation may enroll in an additional 15 semester hours in further attempt to achieve the requirements for graduation.

Requirements for continued enrollment in certain professional programs are higher than those stated here. For information on retention standards of the professional programs, refer to that specific section of this catalog.

Students may appeal their Academic Suspension through the Office of the Vice President for Academic Affairs.

GENERAL EDUCATION GUIDELINES

- All students must complete an approved General Education program in order to graduate from a college or university in the Oklahoma State System of Higher Education. At Southwestern Oklahoma State University, because of differing curriculum and/or accreditation requirements, some degree programs follow slightly different course sequences than the General Education requirements listed on this page. The specific General Education requirements approved for each degree program are listed with the academic requirements.

- Students entering Southwestern must meet General Education requirements listed in the current catalog for graduation. (For certification and license requirements, refer to specific programs.)

- Courses satisfying General Education course requirements cannot be used to satisfy requirements in the major, major/minor, and/or minor.

- Some General Education course requirements may be met via CLEP, AP, International Baccalaureate, and other advanced standing tests.

- A maximum of 10 credit hours of General Education credit may be substituted through alternative courses. Any substitution of alternative courses must address all General Education outcomes indicated for the General Education course for which the substitution is requested. All alternative courses must be approved by the appropriate academic departments for course content equivalency and the General Education Committee.

- Mid-level assessment is accomplished within the General Education courses. Faculty use curriculum-embedded methods such as exams, papers, projects, etc. for improvement of instruction.
